OLPH CARNIVAL OPENS FRIDAY

CHILDREN LOOK OVER OLPH "CIRCUS CARNIVAL"

Standing in the door of the main "tent" three local children (and their dog) get a peep at the big show offered at Our Lady of Perpetual Help school Friday through Sunday. There will be a special section at the "Circus" for the children, as well as many booths and varied types of entertainment for the adults. In addition three big prizes, including a car, will be given away, and on Sunday night a turkey dinner will be served at a nominal price. Looking in on the "Circus" are, left to right, Judy, Richard and Rita Denning and their pooch, Hap.

WOMAN INJURED, THREE CARS WRECKED --- NEED TRAFFIC SIGNAL NOW

(In last week's issue of the "Record" there was an editorial demanding action on a traffic signal for the deadly intersection at Junipero Serra and Highway No. 1. It was pointed out that every motorist risks his life, and the lives of loved ones, crossing at this intersection. Three days later, one woman was injured and three cars wrecked at that very spot. A traffic signal is needed now. Let's demand action of city and state officials before they bury YOU or a member of YOUR family.)

Death hovered near the intersection of Junipero Serra boulevard and Highway No. 1 Sunday, in two automobile accidents.

One woman narrowly escaped serious injury at 4 p.m. when a vehicle she was riding in collided with another car coming east on Highway No. 1.

Three cars sustained damage amounting to several hundreds of dollars.

The injured woman was Miss Hanna Gaffney, 619 Pennsylvania avenue, San Francisco. She was treated at Junipero Serra hospital for minor cuts and bruises.

Miss Gaffney was a passenger in a car driven by George Davis, 46, 2817 San Jose avenue, San Francisco. Davis was making a left turn into No. 1 from Junipero Serra boulevard when he collided with a car driven by Wayne W. Downes, 45, 345 Colon avenue, San Francisco.

The Davis vehicle will need repairs on the left side and door, while Downes' car will need a new left front fender and headlight.

Downes was cited for being drunk in and around an automobile, police said. He was released on $50 bail, and is due to appear in police court Friday, October 21.

Two hours later, at 5:50 p.m., Leslie E. Smith, 53, 835 Turk street, San Francisco, came off of Highway No. 1 and collided with a car driven by Kenneth E. Chegwin, 27, 36 Shannon road.

Chegwin told police he was driving south on Junipero Serra boulevard when Smith's car came around the right hand side of a stopped pickup truck on Highway No. 1. Chegwin's car sustained slight damage, but the front end of Smith's vehicle was smashed.

Fixa Confirmed

The United States Senate Wednesday confirmed President Truman's nomination of John F. Fixa as Postmaster of San Francisco.

The new postmaster was recently in Washington discussing plans with the Postmaster General for additional stations, a modern garage with new equipment and a training program that will indoctrinate post office personnel from the top ranking officials down.

It is Mr. Fixa's sincere hope that these and other new features will make San Francisco the most outstanding and efficient post office in the postal service.

Whither The First Daly City Jail? --- Ask A. J. Bodien, He Knows

"Somebody stole my jail."

Those were the plaintive words of A. J. Bodien, works superintendent, as he franticly looked for the first jailhouse in Daly City Friday.

Up and down Mission he went with a photographer fast on his heels. But no calaboose.

In one store, out another, always asking the same pointed question:

"Have you seen a jail out back."

Always the same quizzical reply.

"What's wrong, you crazy?"

Weathering this flood of questions and answers, Bodien finally came up with the jail. Going over a fence behind the Bruce and Griffin 5-10 Store, 6324 Mission, the superintendent found the ground where once stood a building fond to his heart.

Trouble was, there was no structure, not even a rusty nail. Trouble was, there was nothing there but blackberry vines. Trouble was, the photographer lost patience and went home. That explains why we don't have a picture for this page.

After the first wave of disappointment had swept over the stunned Bodien, he once more regained confidence.

"Well, it was here up until two years ago. Censored. Censored . . . someone must have torn it down."

Trudging back to his office in city hall, the superintendent painted a word picture of the hoosegow.

"Two-cell affair . . made of two-by-fours piled on top of each other. It went up 40 years ago when George White was deputy and decided to build, because the police were getting tired of taking prisoners down to the county jail. Never had much business.

"I can remember one of the early boarders," Bodien continued, "They arrested him for drunkenness. He toddled off to jail, and was a model prisoner. One morning White came down to find the prisoner dead drunk. Also found the hasp lock off the door. Seems the tipster had worked his way out of the jug, gone up to the corner bar, got a few drinks and come back."

After that affair, the first city jail must have gained a bad reputation. Soon it was replaced by another iron cage in Colma, only this one was of a more permanent nature.

The Colma jail was also the "teething" ground for a modern dispenser of justice, Judge W. J. Sweeney. It was Sweeney who made the hinges for the jail's door.

Once back in his office Bodien settled down in his chair, muttered something under his breath, and swinging around asked:

"Know who raised the first flag in Daly City?"

Readers still interested in "firsts" are asked to consult Bodien for the answer to that one.

Colma PTA Sewing Club Meets Oct. 25

The Colma PTA Sewing and Sunshine Club will meet Tuesday, October 25, 1:30 p.m. at the Colma Community Center on Dunks street.

While everyone is invited to attend, room representatives are especially urged to be present.

Hostess for the meeting will be Mrs. Allen Mori.

Colma PTA President Mrs. Edward J. Dennis will represent her group October 27 at the regular meeting of the Jefferson elementary school district board of trustees. The meeting will be held at 7:30 p.m. in the Woodrow Wilson administration building, 344 Santa Barbara.

Anyone interested in the workings of the board and the Jefferson school district is invited to attend the Thursday meeting.

Free Map Of All D. C. Area Streets Now At Lombardi's

A map of all Daly City, Broadmoor, Colma, Garden Village and Westlake streets is now available at Frank Lombardi's, 6498 Mission.

The map is free of charge, Lombardi said. These are the first complete pocket size maps of all the new Daly City area to be printed and distributed this year.

The new street guide will replace an early map Lombardi gave out of just the streets in Daly City and Colma.

Purse, Auto, Loot Of Thugs In Two Daly City Jobs

Daly City police today are looking for an automobile thief and a purse snatcher, both of whom successfully operated here over the week end.

Walter A. Figone, 198 Thiers street, reported Saturday that some unidentified thief had taken his 1933 car from in front of his home sometime Friday night.

At 7 p.m. Saturday night, Mrs. Ernest Lake, 3155 San Jose avenue, reported her purse had been taken, with contents valued at $80, while she was watching a movie at the Daly City Theatre.

Mrs. Lake told officers she had $40 in cash in the purse and other valuable items. She said she had put down the purse next to her, and believes that someone sitting behind her seat must have lifted it while she was watching the movie.

Oh yes, name of the film, "Too Late for Tears."

HALLOWE'EN

Eight Hallowe'en Parties; Other Activities Planned By PTA and D. C. Recreation Department October 31st

Hallowe'en parties this year will replace the soaped windows and swiped garden gates in Daly City.

At least that's the hope of the Daly City Recreation Department who today announced a series of parties and games for the night of the witches, October 31.

This year parties will be held in eight different places in the community. Hence, any lad or lassie will have a wide variety of amusement for the Hallowe'en evening.

Plans for the parties were discussed this week at a joint meeting of the PTAs and the Recreation Department.

There will be, among other things, a giant costume parade with prizes for all age groups for the best looking, funniest, and most original costume.

Games and stunts will also have a place in the evening's entertainment, along with an amateur talent show.

Naturally, refreshments will be served free at all the parties.

The majority of the events will run from 7:30 p. m. to 9:30 p.m. October 31 in eight different sections of the community.

Present plans call for entertainment at: Jefferson high school, 4th grade and older; Little Theatre, third grade and older; OLPH school, all ages; General Pershing school, all ages; Peoria street Scout House, third grade and under; Castle Hall, teen-age; Crocker school, third grade and over; Bellevue Hall, teen-age.

Those in charge of various activities include: Elman Rose, Erle Johnson, Ann Eason, Sue Schroeder, Lee Miller, Tess Sullivan, Florence Schmidt, Carol Freeland, Dolly Jensel, Helen Cheatham, Mary Larson, Mrs. Edward Dennis and Mrs. Hill.

Further details of all Hallowe'en parties will be published in next week's "Record."

Council To Choose City Manager; 55 Apply For Job

With 55 applicants to choose from, the city council this week got down to the job of picking a city manager.

It will be sometime, however, before a man is chosen for the job, Mayor Green said. Each applicant must be considered, and a number of personal interviews held, before a man is named to the position.

Applications for the city manager job were all supposed to have been in by September 1. At that time there were 25.

However, since September 1, 30 more persons have filed, Mayor Green said. The mayor indicated the 30 also would be considered.

"We've had applications from England, Switzerland and many eastern states," Mayor Green asserted.

There has also been an application from an army colonel. None has been received from Daly City.

Beauty Parlor No Place For Jones

Ending his alleged trip to a beauty parlor in the arms of the law Sunday was James Jones, 264 Kings road, Brisbane.

At 2:25 a.m. police received a call from Edna's Beauty Salon, 7119 Mission. Going to the shop they found Julio Lazzerini, 7121 Mission, holding Jones.

Lazzerini charged Jones kicked out a glass pane, opened the door next to the shop, and allegedly started upstairs to the Lazzerini residence.

Jones was charged with drunkenness, disorderly conduct, and released on $50 bail. He will appear before Judge W. J. Sweeney Friday, October 21, to answer the charge.

$15,000 Saddle Shop Now Being Built In Daly City

Saddles and silver accessories will be the business Chris Stegman hopes to carry on in a new $15,000 building now under construction in Daly City.

A permit for the building was given Stegman this week by the city. The concrete structure will be located at Parkview and Mission streets. Construction is now underway and date of opening will be announced later in the "Record."

Other building permits issued this week went to:

William Lagomarsino for two homes valued at a total of $17,700 at Miriam street and West Moltke street respectively.

Ricco Lagomarsino for two homes valued at a total of $38,500 at Bismark street and Paul street respectively.

Theodore Z. Bryant for a $1,230 job of putting a stone facing on his building at 148 Flournoy st.

Mayor Green Asks Immediate Traffic Signal Action

In still another letter to the state division of highways this week, Mayor Paul Green asked for immediate action on traffic signals for Daly City.

Negotiation with the state for the signals has been going on for a number of months. But to date nothing has been accomplished.

Although the city has allocated part of its gas revenue fund for the signals, the state has not seen fit to take any action.

In his letter Mayor Green said:

"Traffic control facilities, even of a temporary nature, should be installed immediately in the interest of public safety."

Specifically, the mayor called for such signals at the dangerous intersection of Mission, San Jose, Hillside boulevard and Hillcrest drive. The city has put up temporary signals, but these are next to useless.

Mayor Green also called for signals at Mission and Market, and on Mission between Hillcrest drive and Market.

No mention, however, was made for a traffic signal at the intersection of Junipero Serra and Highway No. 1. However, it must be pointed out, that this is not under the jurisdiction of the city, and is strictly a matter for the state to handle.

Edgewood Terrace Civic Association Meets October 25

All residents of Edgewood and Hillside Manor were urged today to attend the next meeting of the Edgewood Terrace Civic Association October 25.

The meeting will be held in city hall, beginning at 8:15 p. m., and will adjourn before 10 p.m., officials said.

All persons interested in developing their community are invited to the meetings. There is another reason for coming to the meetings, and that is elections.

Nominations of officers for the association are now being held and will be accepted until December. If persons in the area wish a voice in whom is elected to head the group, they should attend the meetings and make their own nominations.

Meanwhile, the executive board of the organization met Tuesday to discuss the pending "social get together" of members and friends November 26. A dance is planned at that time, but where and when it will be held has not been decided yet.

No Progress In Breslauer Murder Investigation

Summing up the progress in the Breslauer murder case Wednesday night, District Attorney Louis B. DeMatteis said "all leads have proved fruitless."

This report was made to the San Mateo county grand jury, along with the revelation by Daly City Police Chief W. W. Sunderland that since the September 29 murder telephones to six suspected bookmaking establishments in this city have been disconnected.

The grand jury was called by Dr. S. J. Guardino, the jury's law enforcement committee chairman, to consider an investigation of the murder.

Guardino told the jury that Chief Sunderland had told him that "not one" bookie joint is now operating in Daly City.

Meanwhile, earlier in the week Chief Sunderland talked to Portland Oregon's police chief concerning the Breslauer murder trio.

The conversation followed a wire from Portland asking for details of the murder and a description of the suspects and their car.

"May be the Portland police have picked up someone who can tell us something about this killing," Chief Sunderland said.

However, by Thursday afternoon nothing further concerning the murder had been heard from Portland.

SF Boy Recovering From Bullet Wound

Reported in "good condition" today was Richard Hoff, 14, San Francisco boy accidently shot by a companion last Wednesday near Daly City.

The report came from the San Mateo Community hospital where Richard is recovering from a .22 rifle wound. Richard was shot by Vincent Garcia, 13, when he was playing in the Crocker hills. For several days he was in a critical condition.

San Mateo Sheriff's Office is still investigating the shooting. However, the consensus of opinion of officers is that the bullet was fired accidently.

Meanwhile, the Community Hospital is asking for blood today to replace the life giving fluid needed to save Richard.

Blood donors can make their donations at the Irwin Memorial Blood Bank, 2180 Washington st., San Francisco. It is desirable that appointment first be made by calling JOrdan 7-6400.

Community Chest Drive Continues In Business District

Community Chest donations will continue to be accepted from the merchants in Daly City all next week, Frank Lombardi, business drive chairman, said today.

The announcement came following the conclusion of collection in the residential district. Mrs. Jane Keith, residential drive chairman, said approximately $700 had been collected from homes.

"This is almost double the amount we received last year," Mrs. Keith indicated.

No figures were available at this time as to the progress of collections from the merchants.

Daly City's Community Chest goal this year is $2,500.

Complete results of the drive will be published next week in the "Record."

Businessmen, or residents not already contacted, are asked to call Lombardi or Mrs. Keith at JUniper 4-3576.

Two Bethels, OJD, Plan Joint Meeting Oct. 21

Women of Bethels No. 68 and No. 183, International Order of Job's Daughters, will have an opportunity to meet one another Friday, October 21.

At that time the two Bethels will hold a joint meeting. The conclave will be held at 7:30 p.m. at 4705 Third street.

Diane Barton will be chairman of the evening. Theme for the meeting will be Hallowe'en.

OLPH SCHOOL SCENE OF FUN AND FESTIVITY FRIDAY TO SUNDAY

Everything from stuffed monkeys to a turkey dinner will be featured this week end in a "Circus Carnival" at Our Lady of Perpetual Help school.

Opening its doors Friday, the Carnival will be in Daly City for three days. Hours are: Friday 7 p.m. until midnight; Saturday, 1-4 p.m., children's program; 4 p.m. until midnight for all; Sunday 11 a.m. to midnight.

During each of the sessions, a special award will be made. These gifts will be awarded each evening at 10 o'clock starting with a Bendix washer Friday night, a television set Saturday, and a 1949 car on Sunday night.

But everyone who attends the big Carnival is bound to be a winner, if only in fun. There will be booths selling everything from peanuts and popcorn to pandra bears.

With a special eye toward the children, the Carnival will have a section only for the younger set. Featured will be a fishpond, dart game, baseball throw, and many other games.

To put all in the mood of a circus the parish hall has been decorated in the circus motif, complete with clowns, elephants, and all the color associated with the "big top."

Concluding the Carnival, there will be a giant turkey dinner on Sunday from 4 p.m. to 8 p.m. The dinner will be at $1.50 per plate, with a special price of 75 cents for children.

All proceeds of the carnival are used for the maintenance of the parish school and benefit of the school children.

Remember those days, Friday, October 21, to Sunday, October 23, at Our Lady of Perpetual Help school. This promises to be the biggest and best such event in many years, and everyone is invited to attend.

D. C. To Purchase Ambulance; Better Service Offered

Better and more extensive ambulance service for Daly City and surrounding territory was promised this week.

Mayor Paul Green said today the city is planning to purchase its own ambulance.

This announcement came after the decision by San Mateo county to discontinue the county ambulance now stationed in Daly City. This car will now be available for all northern San Mateo county, including Daly City, on a 24 hour basis.

The county ambulance will work with Junipero Serra and other hospitals. It will operate out of San Bruno, and will be available 16 hours a day on weekdays and 24 hours on weekends.

In addition to the city and county service there will be the Bay Area Ambulance Service located at Junipero Serra and El Camino Real.

Feeling a necessity for an ambulance in Daly City proper, the council Monday will authorize the purchase of a used $3,000 vehicle, Mayor Green said.

"This is a Buick, and in excellent condition. It will be fully equipped for first-class service," Mayor Green said.

Hence, by next month there will be three, instead of the present one ambulance to serve northern San Mateo county and Daly City.

Sereni Accused Of Bldg. Violation

Due for an appearance in Daly City police court Friday, October 21 is Mario Sereni, 2 Village Way, charged with violations of the state business and professional code.

The charge was filed in a complaint earlier in the week by State Agent James Jensen.

Sereni is charged with building a home for Robert and Rose Callan, 188 Werner avenue, without having first obtained a builder's license.

He was released on $50 bail.

Fire Endangers D. C. Army Camp

Lending the army a helping hand, and several hundred feet of hose at 3:30 p. m. Monday were members of Daly City's fire department Companies 1, 2 and 4.

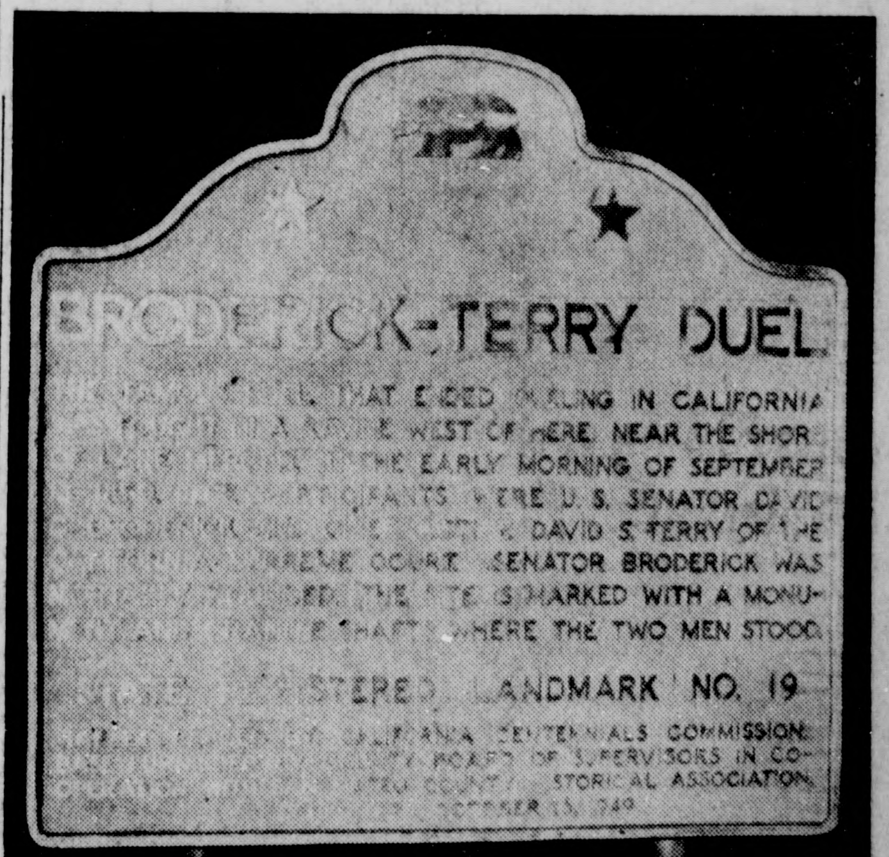
A call was received at police headquarters at that time, informing officers of a grass fire which was sweeping up the hill behind the army camp in the Crocker estate.

Police blew the whistle, and a few minutes later the hose hoisters were on the job.

In 35 minutes the blaze was brought under control, and the army went back to its usual routine.

Damage was held down to a minimum, and the flames were checked before they could burn any of the army buildings, officers said.

DALY CITY PLAQUE MARKS DUEL SITE



BRODERICK-TERRY DUEL
THAT ENDED DUELING IN CALIFORNIA
A MILE WEST OF HERE NEAR THE SHORE
THE EARLY MORNING OF SEPTEMBER
PARTICIPANTS WERE U. S. SENATOR DAVID
DAVID S. TERRY OF THE
SUPREME COURT. SENATOR BRODERICK WAS
THE SITE IS MARKED WITH A MONU-
SHAFTS WHERE THE TWO MEN STOOD.

CHARTER CHANGES NEEDED

It is a known fact that First Township, comprising San Bruno, South San Francisco, Daly City, Colma, Brisbane, Lomita Park and a portion of Millbrae, as well as Fourth Township, comprising the Coastside communities, are being woefully neglected by our county board of supervisors and some of the other county officials.

This can be directly attributed to the change in the county charter which now provides that county sueprvisors be elected, not by the voters of the districts they are supposed to represent, but by the combined votes of all five townships.

Under the former democratic voting system, a supervisor had to work for his township if he wished to remain in office. But, today things are different.

Today, by political manipulation of the votes of the other four townships, on the part of all five supervisors, their political appointees and some of the other county officials, with the aid of special interests and professional politicians, a supervisor can remain in office indefinitely if he so desires, regardless of what the people in his own district say or do against him.

We have but to quote the official voting figures just released to prove this. Let's take First Township, comprising the cities mentioned above. First Township has 26,606 votes; Second Township, 29,006; Third Township, 27,922; Fourth Township, 1,789; Fifth Township, 13,615.

This constitutes a clear majority of 72,534 votes in the other four townships over the 26,606 votes in First Township which the incumbent supervisors and the politicians can draw upon to perpetuate themselves in office.

For that matter, the cities of San Mateo, Burlingame and Redwood City, with a combined voting strength of 39,178, or a majority over First Township of 12,572, and with the only daily newspapers in the county, can alone, easily become a factor in who shall represent all the communities in First Township or in any other township.

Under these circumstances what chance has first township to elect an opponent to the incumbent supervisor, and what chance has fourth township, comprising the entire coastside, with its 1,789 votes, to prevent the present incumbent supervisor from retaining office indefinitely or to prevent a hand-picked candidate favored by the other four supervisors, their political appointees and political supporters, from being elected?

If ever there was an example of "Taxation Without Representation," we certainly have it in San Mateo County.

At present our county executive is an elected official. But the politicians have changed all this. For after the term of the present county executive terminates, the five members of the board of supervisors will have the sole power to appoint a man who is supposed to control their administrative activities and act in an advisory capacity to the board. What a farce!

For even a child can see what would happen to an oppointee of five men who already have a strangle hold on the county so far as their own office is concerned, if that official did not answer to every beck and call of the five men who appointed him.

We respectfully suggest that all the protests, resolutions and expressions of indignation on the part of the members of the North County Council will never be of any avail until the county charter is changed and the county is taken out of the hands of the politicians and special interests and restored to the citizens and taxpayers. (Reprint from the San Bruno Progress.)

OFFSETTING HER HOMESICKNESS—Elizabeth Loasby, an American who has lived in England for three years, grows her own American vegetables to help cure her homesickness for the U. S. She gathered sweet corn, egg plant, lima beans and pumpkins from her garden to exhibit at the Olympia Flower and Country Show in London.

NO HANDICAP—Out in San Francisco, sportsman Ed Brotleff, right, proves that he's ready to match his fishing prowess with any normal angler. Losing both arms seven years ago in a dynamite blast, Brotleff boated this 16-pound salmon in jig time. Credited with an assist with the net is skipper Lvu Merritt.

Sunday Sermon Topic Announced By Ocean View Congregational

Topic of the sermon at the Ocean View Congregational Church this Sunday is "Watchman—What of The Night?"

Regular services at the church begin at 11 o'clock.

Sunday school services are held at 9:45. In addition there is a nursery school for the younger children.

STORM WARNING—Miami's gales may disrupt the beaches now and then, but more often it's someone like Ava Hall. The wind-blown lovely has just the contours to displace weather as the number one topic of conversation.

BOOKS

Rarely is a quality book published which appeals to every adult, bu when this does happen that work deserves unreserved praise.

Such a book is **"Prize Stories of 1949,"** now available at your Daly City library. Within its covers are 23 tales which have justly qualified for the coveted O. Henry awards.

In this, the 31st anniversary edition, the reader will find much to please him, and little displeasure. There are tales of love, hate, adventure, and every day living which will appeal to anyone who thumbs through any magazine from the pulps to the quality issues.

Grand prize winner is a story by William Faulkner, whom the editor considers as "not only the most considerable writer of fiction we have at present, but probably the most considerable writer of fiction in the whole history of our literature.'

A reading of Faulkner's story, "The Courtship," should convince anyone that these aforesaid words of praise are not misplaced. Unfortunately too many know this genius of the south for his "pot boiler" **Sanctuary.** In this noval, written, as the author freely admits, for no other purpose than to make money by appealing to the sadistic in us all, Faulkner hit an all-time low.

Perhaps a reading of "The Courtship" will carry the reader on to other fine stories by Faulkner such as "The Bear" and "A Rose for Emily," or his recent novel, **Intruder in the Dust.**

The second prize (there are three major awards) went to Mark Van Doren for "The Watchman." Personally, this reviewer would have made another choice, "The Lottery," by Shirley Jackson. However, there is no denying that Doren's work is both poignant, poetic and deeply moving.

Third choice of the O. Henry judges was Ward Dorrance's "The White Hound." This is a moving story about a young boy who first encounters death.

Little more can be said about the other tales in this book, as they are all expertly done, both as to technical skill and interest. One thing might be noted, that is that two of the stories this year come from "Colliers." Heretofore, the majority came from the lesser read magazines such as "The New Yorker," "Harpers," and the "Atlantic." This is a good sign that the "popular" magazines are at long last printing stories of real merit.

Of course it might be argued as to what is a good or bad story. The answer, the reviewer believes, can be found in this book. A good story may be many things, but above all it captures and holds the reader's interest. Every story in this book does just that, and a little more.

That little more is the power to excite feeling within the breast of the reader, to leave him with the sensation that something beautiful has occurred.

And in this respect, perhaps the following definition of a short story by the poet Struthers Burt is apt and fitting as a sumnation of the **Prize Stories of 1949.** Burt says:

S. M. Jr. College 11 Meet Hartnell Friday Evening

With one conference win behind them the San Mateo Junior College football players play at Hartnell College of Salinas this Friday night in their second league game of the season. Previously, the Mateans took Stockton College, 28-0. A trainload of student rooters will accompany Coach Murius McFadden's Bulldogs on the Salinas trip.

Over the week end the Mateans went down to Glendale College and ended up in a tied game, 13-13, in an exciting contest that saw the teams take turns in leading. As the game ended San Mateo was on the way to another score.

In the adult center of the junior college the enrollment is the heaviest for any comparable time since the evening work started in 1936. Eighteen hundred and fifty adults enrolled the first two weeks and more are coming in each evening.

Next Monday Mervin K. Slosberg of the San Francisco City College will speak at the college Action." The public is invited to this lecture and to the Community Hall lecture October 31 when Dr. Oliver Lee of the University of California will give an illustrated lecture on "Man and the Heavens."

Students at the college will observe October 24 as "United Nations Day" with an assembly program arranged by the college Forum Club.

Bronze Plaque Now Marks D. C. Area Of Last Duel Fought In California

Early one morning in September, 1859, two men stood back to back on a spot close to the San Francisco - San Mateo county line.

A few seconds later they walked away from one another, whipped around and fired two shots. One of the bullets hit Senator David C. Broderick. He died shortly afterwards, and Chief Justice David S. Terry's honor was redeemed.

The vicinity of the duel in Daly City was marked last Sunday in an imprssive ceremony one-half mile east of the county line on Junipero Serra boulevard. A bronze plaque was placed near the highway by the San Mateo County Historical association.

This was one of five such markers put up throughout the county Sunday to mark various points where history was made.

The Broderick - Terry plaque, temporarily placed on steel poles, will be permanently installed on a granite monument when the Junipero Serra traffic interchange is finally completed.

Approximately one - half mile west is the actual dueling place where the last duel was fought in California. This is marked with granite stones where each man stood, and at the present time is almost inaccessible due to heavy overgrowth of trees and weeds.

At Sunday's ceremonies County Treasurer Al Sagehorn delivered the dedication. Mayor Paul Green accepted the plaque on the part of Daly City.

Other speakers from Daly City included Councilmen Ed Mooney and Fred Bertetta and Tom Callan Sr., whose father operated a ranch near the actual duel site more than 75 years ago.

All Goods Of Levee Hardware Store At Reduced Rates

Bargains in hardware and plumbing will be offered for nine days, beginning Friday, October 21, at the defunct Levee Hardware and Plumbing store, 6789 Mission.

All of the goods in the store will be sold from one-third to one-half price by Alexander Axelrod, San Francisco sales manager.

The sale will continue for nine days, and then the store will either close for a short time or will remain open to sell other merchandise at reduced rates.

"We have a large stock of Xmas toys and other items we are going to sell at reduced prices," Axelrod said.

The Levee store will be open from 9:30 a. m. until 6 p. m. six days a week.

$396,000 Bonds Put Up For Sale By City Monday

On the block today are $396,000 in bonds for the city's proposed War Memorial community center and park improvements.

At an adjourned meeting of the city council Monday, a resolution was passed calling for advertising bids on the bonds.

Banks and investment houses are expected to actively bid on the securities, with the bid going to the organization which bids the lowest rate of interest, Mayor Paul Green said.

The bonds are serial bonds, 396 of $1,000 face value, and will be retired at the rate of $10,000 for each of the first five years, starting with 1950. The next five years will see $11,000 more retired, and so on until the principal is paid. As interest payments decrease, revenues will be applied to a larger amount of principal.

The last bond will be retired in 1981, with the bonded indebtedness decreasing sharply each year, Mayor Green said.

Following the meeting, Mayor Green met with the Daly City Recreation Committee to outline plans for completion of the projects contemplated in the bond issue.

The recreation group was authorized to prepare detailed plans for development of the various park sites by the end of the year. This will allow actual construction to get underway sometime early in 1950.

Meanwhile, Architect Mario Ciampi was at work preparing detailed plans and specifications for the War Memorial community center. It is hoped the bonds may be sold by January 1, so work on this job may begin in January or February.

Other business before the Monday meeting included:

Passage of a resolution setting Monday, November 28, as the date for a public hearing on proposed street, sewer and water improvements in a five-block area of the Concordia tract. This will be financed by assessment district in the area affected.

The new tract will provide for approximately 200 new homes in the vicinity of Lowell and Bellevue streets.

A motion was passed to donate $50 to the Palo Alto Veterans Administration hospital, for a Christmas party sponsored by the Veterans of Foreign Wars.

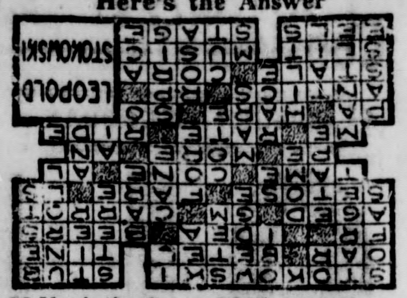
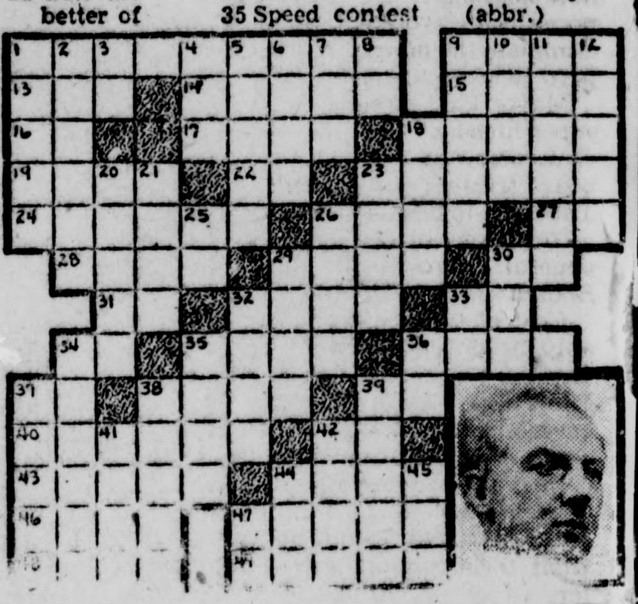
Here's the Answer





Sunday Games

10:30 a.m. — Colma Boys Club vs. Ayoob Sports Shop, Seals Stadium.

Noon — Daly City Boys Club vs. Loop Bowl, Marchbanks Park.

Noon — Daly City Red Sox vs. Immaculate Conception, Rolph field.

2 p.m. — Lew's A Service vs. (team not named), Marchbanks Park.

2 p.m. — Daly City Billiards vs. Guadalupe Native Sons, Rossi field.

2:15 p.m. — Daly City Mustangs vs. Piedmont AC, Piedmont High school field, Oakland.

3 p.m. — Junipero Serra Merchants vs. Grosso Music, Funston No. 2.

For An Onion Flavor

Next time you are making sandwiches, slip the knife with whic you are slicing tomatoes into a onion several times while slicin each tomato. This will give a delicate onion flavor, but the onio taste will not be strong enough be unpleasant.

CASH FOR YOUR HOME

Regardless of condition or age of your home, we'll pay spot cash for it now! If you've considered selling, you'd better act now, while values are at their peak.

Connecting Street Between Broadmoor, Garden Village, Westlake Now Under Consideration By City And County

Plans for a through street to connect Broadmoor, Garden Village and Westlake are now being considered by city officials.

A. J. Bodien, works superintendent, said he would meet on behalf of the officials Friday to discuss the proposed street with the county planning board.

Roughly, the street would run north and south, 300 feet east of White street, west of the Garden Village school between 87th and Highway No. 1.

At the present time, except for Junipero Serra boulevard, there is no direct road between these three new housing areas. This new proposed route would save time and eliminate the danger of using Junipero Serra boulevard.

Mayor Paul Green, James Snell superintendent of the Jefferson elementary school district, school board trustees and Bodien met last Thursday to discuss the plan.

The proposition met with the general approval of all present, Bodien said.

Cost of the project would probably be divided between property owners, the county and Daly City Bodien said. As much of the property involved is outside the corporate limits of Daly City, it will be necessary to consult the county.

Bodien will meet with the county planning board Friday to find out what their opinion is on the matter.

Volunteer Waves

A limited number of enlistments in the Wave Corps of the regular Navy are open to young women who can pass the necessary mental and physical requirements.

Waves have successfully filled approximately 450 different kinds of Navy jobs. They will continue to serve in the regular Navy in all appropriate fields, such as communications, supply, aviation, general administration and particularly hospital work. Additional and diversified types of work are being added as fast as the Navy finds them to be appropriate and useful.

Town Meeting Next Week on Broadmoor Annexation To D. C.

Whether or not Broadmoor should become a part of Daly City will be discussed at a public forum Friday, October 28, 8 p.m. at the Broadmoor Community Center.

The forum is being sponsored by the Broadmoor Property Owners Association.

All civic organizations in Broadmoor and Garden Village are asked to have representatives present at the meeting. Citizens of the two communities are also asked to be present.

Sometime early this week, or next week, a committee from the Association will meet with Daly City officials to discuss the possible annexation. Their findings pro and con, will be reported at the forum.

Mayor Paul Green had no comment at this time on the annexation. He indicated, however, this was a matter which must first be decided by the people living in Broadmoor.

The issue of annexation has come up several times before, but this is the first time any real action has been taken to bring it before the public.

Principal point of contention seems to be over taxes. It will be up to the people to decide whether they wish to become a part of Daly City and thereby reap the benefits of police and fire protection, or whether they wish to stay unincorporated.

Although nothing definite has been established as to whether or not taxes would go up in the area, it is assumed that would be the case.

Colma Cemetery Population Drops By 400 This Week

Diminished by 400 this week is the population of Colma—or at least at the community's cemetery.

In a ceremony which takes place every 10 years, 400 Chinese were disinterred this week and readied for shipment to the Orient for reburial.

Chinese from seven western states participated in the ceremonies at the Happy Valley Chinese Six Companies cemetery, John Price, Colma councilman, said.

Workmen dug as far as the buried caskets when the Chinese relatives took over. They removed the bones from each casket, cleaned and polished them and put them in a smaller box. The box was then sealed and made ready for shipment to China.

Work only was interrupted when rain threatened, Price said. All work on the disinterring must cease at any sign of rain, according to Chinese custom.

Shuttle Bus To Replace No. 26 End Of Next Week

Shuttle bus service for Broadmoor and Garden Village will probably be in service by the latter part of next week.

That was the announcement today by officials of the Broadmoor Property Owners Association. Delegates from the Association were still meeting with the San Francisco Municipal Railroad, so the date of the new service only can be tentative.

As announced earlier, the shuttle bus will replace No. 26 and will run from the Bank of America in Daly City to the end of 87th street in Broadmoor. Fare for the shuttle service will be 10 cents and no transfers will be issued.

The new service will be tried for 90 days and if not financially successful, it will be discontinued.

COLMA --- BROADMOOR GARDEN VILLAGE

Broadmoor Village Lutherans Invited To Sunday Service

Broadmoor Village Lutherans this Sunday will join members of Lutheran churches throughout San Francisco and the peninsula in a mass service to commemorate the 432nd anniversary of the Reformation.

The service will be held in Scottish Rite auditorium in San Francisco at 4 p.m. The Rev. Paul Jacobs, Terra Bella, California, will be the speaker.

Appropriate selections will be rendered by a combined choir of many of the participating churches. The public is invited to attend.

This Sunday's festival program is planned for the second Sunday before the actual reformation day—the day that Martin Luther nailed the historic 95 theses to the castle door at Wittenberg, Germany.

Meanwhile, the Lutheran Church of Broadmoor, community recreation center, will observe the reformation festival in its regular morning worship service Sunday, October 30, at 11 a.m.

Barley First Food

In ancient Greece it was traditionally believed that barley was the first form of food given to mankind by the gods, and most botanists and geologists seem to agree that barley was one of the first plants to be cultivated. In the valley of the Tigris and Euphrates and the Nile ancient straw-lined barley storage pits have been found by archeologists who have dated them tentatively about 20,000 years of age.

Husbands, Fathers Given Advice At Fellowship Day

Good advice for new husbands and fathers was given at a men's fellowship meeting Thursday at the Broadmoor Community Presbyterian church.

Scores of men from the area attended the meeting and took part in the evening's entertainment. The Rev. John Glasse presided.

New husbands were asked to step forward and were presented with an envelope containing words of information on how to handle the distaff side. When they opened the envelope they found a blank piece of paper. In other words, the best thing to tell a wife is nothing.

New fathers were initiated into the fraternity of diaper pins, and were presented with a large three cornered pants pin.

Following the "ceremonies" two movies were shown entitled "The Shortest Way Home" and "Alissal Tales and Trails." Both were in color and the last show portrayed work on a dude ranch.

Everyone is welcome to attend these fellowship meetings regardless of creed, Rev. Glasse said. Information about future meetings will be announced on this page.

Playground Soon For Broadmoor, Garden Village

Children in the Garden Village-Broadmoor area will soon have a playground.

This was announced today by the Broadmoor Property Owners Association. About one-tenth of an acre of land has been leased from Henry Doelger at $1 a year on McArthur blvd. at the "Garibaldi Pump" site.

Sometime next month work will begin on the land to convert it into a playground.

The grounds should be completed by the first of the year and will have all the facilities from swings to rings for the entertainment of children in the area.

Other improvements being investigated and pushed by the Association today also include:

Improvement of 87th street, including paving and extension.

Plans to plant shrubbery and grass on the hills behind Broadmoor and Garden Village so as to alleviate a condition which floods back yards every time it rains. This is being investigated by the county engineer.

Pioneer Colma Resident Dies

A resident of Colma and Daly City for the past 45 years, Mrs. Angela Bertetta, 60, 157 Moltke street, died October 15 at the St. Lukes hospital.

Mrs. Bertetta is survived by her widower, Giuseppe Bertetta; two sons, Louis, 127 Moltke street, Dr. George, Burlingame; a daughter, Mrs. Rose Shurgin, 157 Moltke street. There are five grandchildren.

Funeral services were held Tuesday at the Valente Marini Perata Mission street chapel. Following the services, interment was at the Italian cemetery.

British defense measures against German bombing accounted for as many as 185 planes destroyed in one day.

Colma, Broadmoor, Garden Village News Wanted For "Record"

This section of the "Daly City Record" is especially for those people living in the Colma, Broadmoor, and Garden Village areas. We wish to print news of your neighbors, but we need your help. Part time news writers are needed from these areas. In addition anyone with news of births, weddings, clubs, and so on in these areas can have items printed in this section. Anyone interested in sending in news is asked to contact the "Daly City Record" at 3317 San Jose avenue, Daly City, or phone JUniper 5-3215.

Broadmoor VFW Post Presents Boxing Tuesday

Boxing matches, junior size, will be presented Monday, October 24 at the Broadmoor Community Center, by the Lake Merced Post No. 9921 VFW.

The matches will get underway at 8 o'clock and will feature such "killers" as San Francisco lads between the ages of 10 and 12 years old.

There will be five bouts of three rounds of two minutes duration.

Following the boxing, refreshments will be served by the Post.

The public is invited to attend, as the bouts are free of charge. They are put on in the hope that people of the Broadmoor area will come to recognize the social activities of the Lake Merced Post.

Anyone interested in joining the post is cordially invited to do so. Only requirement is that the potential member be a veteran and has served outside the continental United States.

HELP THE "RECORD" SPORTS PAGE CROSS THE NEWS GOAL LINE

With the beginning of football season, the "Record" hopes to bring you all the latest on Daly City teams. How about passing along any news of the football season to the "Record." In fact, any items concerning sports from table tennis to bowling are welcome, and will be published. Send these items to the "Daly City Record," 3317 San Jose avenue, Daly City 25, or call JUniper 5-3215.

MAIN STREET

Here is a picture of Main Street, Typicaltown, U.S.A. It is a glimpse of any town—our town. Its busy thoroughfare lined with shops of all kinds signifies the free business life which American communities enjoy.

To change this scene is unthinkable. And yet, this very picture is endangered by the many evils that haunt our land today. Atheism, communism, crime, and delinquency fill the air, and there are wars—and "rumors of wars."

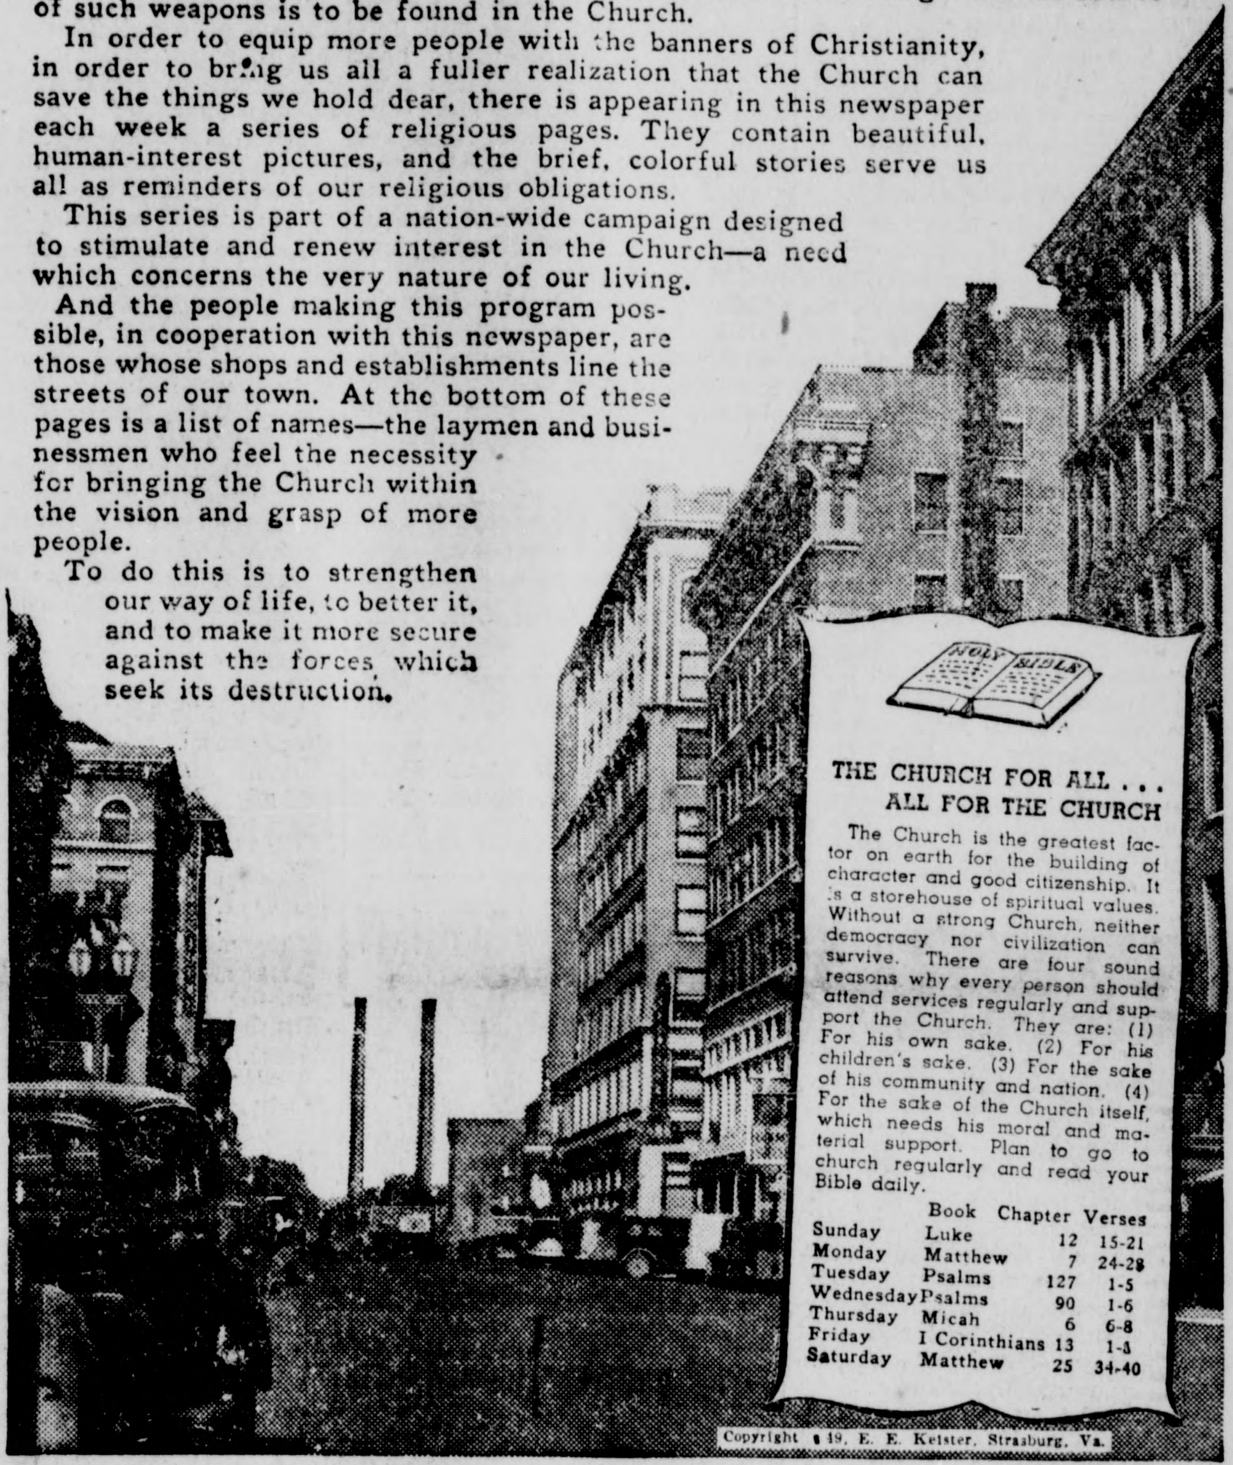
To combat these enemies, we need love, fellowship, tolerance, and understanding—and the source of such weapons is to be found in the Church.

In order to equip more people with the banners of Christianity, in order to bring us all a fuller realization that the Church can save the things we hold dear, there is appearing in this newspaper each week a series of religious pages. They contain beautiful, human-interest pictures, and the brief, colorful stories serve us all as reminders of our religious obligations.

This series is part of a nation-wide campaign designed to stimulate and renew interest in the Church—a need which concerns the very nature of our living.

And the people making this program possible, in cooperation with this newspaper, are those whose shops and establishments line the streets of our town. At the bottom of these pages is a list of names—the laymen and businessmen who feel the necessity for bringing the Church within the vision and grasp of more people.

To do this is to strengthen our way of life, to better it, and to make it more secure against the forces which seek its destruction.



THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Studebaker does it again!

The new 1950 Studebaker with "next look" styling has already set a new all-time sales record! More people bought new Studebaker cars from Studebaker dealers last month than in any previous month in history! Studebaker's September was its biggest month ever both in production and in sales!

STUDEBAKER'S REALLY ROLLING... WITH THE "NEXT LOOK" IN CARS!

Membership Campaign Launched This Week By Intermediate Girl Scout Troop No. 2; All Welcome To Join

Young ladies interested in becoming Girl Scouts have an opportunity this month to do just that, by joining a local troop.

Intermediate Troop No. 2 this week announced a membership campaign. During the next several weeks members of the troop will invite friends to attend the regular weekly meetings, in hopes they may join.

Leaders of the troop say they can take 17 more young women. As there is always a standing demand to join the Girl Scout organization, here is an opportunity for any girl interested in scout work.

Parents with children who have just moved to this community were invited to attend one of the meetings. Then they will have a chance to see what good scout work does in building fine citizens.

Any girl between the ages of 10 and 15 years may join the Intermediate troop. Older Girls may join the Senior troops.

Only other requirements for membership is that the prospective member learn the basic rules of tenderfoot scouting.

Intermediate Troop No. 2 meets every Monday at 3:30 p.m. at Our Lady of Perpetual Help hall. (Note: Place of meeting has nothing to do with religion. A girl of any sect may become a member of this, or any other troop.)

Meanwhile, members of the troop were working and playing as usual. At the last meeting Judy Liberti and Jean Chamberlain successfully completed the first requirement.

Other girls at last Monday's meeting worked on a needlecraft badge.

Jefferson PTA To Hold Luncheon Friday, November 4

By Lois Adami

Don't cook lunch on Friday, November 4. The women of Jefferson High School P.T.A. are serving a luncheon at Masonic Temple, 17 Hillcrest, from 11:30 until 1:30.

This luncheon is only part of their annual fund-raising bazaar. There will be booths of home made cookies, cakes and casserole dishes to take home for dinner; a sewing booth with handmade articles to start your Christmas gift shopping, plus a rummage table with clean rejuvenated garments, and on the white elephant table will be plenty of bargains.

Something new has been added to this year's bazaar, that is a plant and flower display. Here you may find and buy just the flower you have been admiring in your neighbor's garden. This fall bazaar promises to be something super.

The following women have been appointed by Mrs. L. M. Hill, Jefferson P.T.A. president, to help conduct the various booths: Mrs. James Linden, sewing; Mrs. Herman Kahlbrenner, white elephant table; Mrs. O. L. Wakefield, rummage; Mrs. William Hobbs, food sale; Mrs. F. Foreman J., luncheon, and Mrs. Byron Jensen, plant and flower display.

If you would like to help make this bazaar a success by donating any article for the various booths, call Mrs. James Linden, bazaar chairman, at DElaware 3-7320. She will make arrangements to pick up your donations.

New Arrivals In Daly City and Vicinity

To the wife of Richard M. Byers, 115 Rolph street, October 3, a daughter.

To the wife of William G. Gannon, Brisbane, October 6, a son.

To the wife of Achille A. Liberti, 442 Winchester, October 7, a daughter.

To the wife of Mervin Paul Ferguson, 130 Winchester street, October 8, a daughter.

To the wife of Jerry Greenfield, 293 Los Olivos avenue, October 12, a daughter.

To the wife of Walter V. Morrell, 282 Wyandotte street, October 11, a son.

To the wife of Mardis J. Petri, 272 Hillcrest drive, October 14, a daughter.

Jeff PT AHosts Tuesday To 200 Parents, Teachers

Jefferson High School P.T.A. Tuesday played host to over 200 parents and teachers attending the Father's Night program at the Jefferson High School auditorium.

In his opening address, Stanford Hannah, principal, urged the parents to come to school and meet the teachers, thereby getting to better understand your child.

Each P.T.A. of the district, Colma, Crocker, Woodrow Wilson, and General Pershing, showed the audience there are plenty of talented children in our schools. Woodrow's Spanish dancers, Colma's cowboys and Sunbonnet Sue, Crocker's impersonator, all were excellent, and helped make the evening a successful one.

The one-act skit, by General Pershing, deserves special mention, it drew the most laughs from the audience. Mrs. Ann Eason, as father, showed very promising talent as a male impersonator.

After one and one-half hours of entertainment the women of the P.T.A.'s served refreshment in the dining room.

DALYCITY~COLMA

Some free legal advice was given members of the Lions Club who attended the regular luncheon Wednesday.

Guest speaker of the day was John Grennen, instructor in law at the Banking Institute, and an attorney in this area since 1922. He spoke on "Trusts, Deeds, Life Insurance and Wills."

Although he gave much information about all these aforesaid matters, he had one final word of advice:

"See the men in the know before taking any legal step. This is especially true in wills."

Information concerning wills may be had from many banks, life insurance offices and lawyers, Grennen said.

Next week the Lions will welcome as their guest the district governor of the Lions Club. He will be here on his annual tour of clubs throughout the district.

CHURCH SPEAKER — Chaplain Paul W. Travis, distinguished world traveler and photographer, will speak at the Grace Church of the Nazarene Sunday at both the morning and evening services.

World Traveler At Grace Church Nazarene Sunday

Guest speaker at the Grace Church of the Nazarene Sunday will be Chaplain Paul W. Travis, distinguished world traveler and photographer.

Mr. Travis will speak at both the morning and evening services at the church at Santa Barbara and Vista Grande avenues.

At one time President Harry Truman's pastor, Mr. Travis has just returned from a world tour of 30 months covering 16 foreign countries. Some of the places he visited were Japan, Philippines, Greece, Italy, France, Mexico and the Caribbean isles.

At the evening service at 7:45 p.m., along with an up-to-the-minute commentary of world conditions, Mr. Travis will show natural colored motion pictures of places of interest in the news of the world of today. All of the pictures on the orient were filmed this summer.

The public is invited to attend the services .

Bethel Lutheran Choir To Sing

Commemorating the 432 anniversary of the Protestant Reformation, the choir of Bethel Lutheran Church will take part in a massed chorus October 23.

Under the direction of Waldemar Jacobsen, the chorus will sing at 4 p.m. Sunday at Scottish Rite Auditorium, Sutter street and Van Ness avenue.

Mrs. Ruth Petersen is the director of the choir of Bethel church. The rehearsals are held in the parish house on Wednesday evenings at 7:30 o'clock.

The choir also provides special music for the Sunday services.

Eagles To Hold Barn Dance Oct. 29; Whist Nov. 2

Come to the Barn Dance October 29 at Eagles Hall, 3346 San Jose avenue.

This was the invitation extended today to all Eagles, members of the Auxiliary, and their friends.

The dance is being sponsored by the Colma Vista Grande Aerie No. 1848 FOE and Auxiliary. It will be held next Saturday night at 9 p.m.

Meanwhile, whist players will be glad to know that the Auxiliary is planning a game at 8 o'clock November 2 at Masonic Hall, 17 Hillcrest. Everyone is invited to attend.

Another meeting of interest to members of the Auxiliary is the Sewing Club get together November 1 at 1 o'clock at the home of Mrs. Donna Almquist, 543 San Diego.

The next regular meeting of the Auxiliary will be held October 25 at 8:30 p.m. in Eagles Hall.

Looking back now at past events, one of the biggest in many a month was held last Tuesday, October 11, at a joint initiation and birthday party.

Five new members were initiated into the Auxiliary, including Mesdames Hazel Rieck, Ella Roberts, Romona Lievens, Sue Benson and Leonora O'Niel.

Following the initiation, a birthday party was held for the organization's "adopted baby," Kathleen Brush, daughter of Mr. and Mrs. Allen Brush, 211 Hillcrest drive.

The baby was the first born to any member of the Auxiliary and last Tuesday the party was held to mark the young lady's first year in this world.

Many beautiful gifts were given to the baby, and the tables were set off in a circus motif with animals and tents scattered here and there. Mrs. Edrie Summers Sr., assisted by Miss Edrie Summers Jr. and Mrs. Lynn Boskey, were in charge of the party.

SOCIETY

Jeff High Play Tickets Now On Sale At School

Tickets for the Jefferson High school new comedy presentation, "John Loves Mary," are now on sale at the high school.

Date of production for the Norman Krasna smash Broadway hit 's November 4. All those planning to attend were advised to purchase tickets early, as this promises to be a sell-out.

"John Loves Mary" has been considered something of a post-war sequel to the rollicking "Dear Ruth," written by the same author. The stories are not connected, or even concerned with the same characters. But just as "Dear Ruth" found a kind of universal sentimental merriment over a wartime romance, so "John Loves Mary" provides entertainment on the theme of a romance between a discharged soldier at the war's end and the girl who had waited for him three years.

The complications of the plot arise because — though John loves Mary as much as she loves him—John has married his buddy's girl in England, out of gratitude to his buddy for saving his life in battle, in order that he can bring this girl to America as a G.I. bride.

He had intended to divorce her immediately so his friend could marry her. But his friend had been a bit forgetful and meanwhile married someone else, leaving John, who loves Mary, stuck with Lily whom he doesn't love at all. Since Mary's parents welcome John as a son-in-law so heartily that they rush plans for an immediate wedding, this forces poor John into some of the funniest situations seen on the stage in many years.

Lyndy Rivera and Steve Ward will be the John and Mary in this production, and others who will be playing important roles under the direction of Miss Eunice Seaton are Peggy Jones, Caroline Hyndman, Bob Mink, Jerry Ward, and Russell Murphy.

Mothers' Club Of OLPH School Plans Dance

Plans for the "Tenth Anniversary Dance" to be held November 5 were discussed last Friday at the regular meeting of the Mothers' Club of Our Lady of Perpetual Help church.

The dance discussion was led by Mrs. Mary Jane Tielemans, chairman for the evening. Mrs. Valetta Ennis, in charge of music, has secured Eddie Harkness and his orchestra for the evening.

Refreshments for the dance are being planned by Mesdames Eleanor McDougal, Mary Tielemans, Ann Drury and Maureen Molloy.

Tickets for the dance may be obtained from any member of the Mothers' Club.

Meanwhile, Tuesday, November 1, is another monthly whist party. It will be held in the OLPH school auditorium, 80 Wellington avenue, starting at 1:30 p.m. The sixth grade mothers will be in charge.

Committee for the whist game includes Chairman Mrs. Dorothy McInerney, Mrs. Anita McArdle, Mrs. Mary J. Tielemans and Mrs. Marie Bricker.

The following new members were introduced and welcomed to the club: Mesdames Irene Dowdle, Patricia Green, Ellen Sutherland, Virginia Stanley, Fan Ellis and Mary Firpo.

The meeting was concluded with a discussion of the Mothers' Club Bazaar for Sunday, December 4.

Hillcrest Circle No. 143 To Hold Whist; Election

Ringing down the curtain on their six-month term of office, officials of the Hillcrest Circle No. 143, UAOD, will step aside October 24 for new officers.

A giant whist game is promised to enliven the meeting which takes place at 8 p.m. at Masonic hall, 17 Hillcrest.

Although officers will be elected before the whist, formal installation will not be held until November 14. At that time Mrs. Dolly Brush will be installed as arch druidess.

Those on the whist committee for October 24 include Mesdames Jessie Hutchinson, Clara Poket, Mary Crine.

WHY: IT'S THE TALK OF THE TOWN!

NEWS OF YOUR NEIGHBORS

Fritz Erickson, Daly City Bank of America manager, is a grandfather today. This is a first for Erickson in the granddad department. The baby boy was born to his daughter, Mrs. Robert Schene, 1220 El Camino Real, Burlingame, October 18 at Mills hospital, San Mateo. He came into the world weighing 8 pounds and five ounces. Wasting no time, his parents have named him Thomas Eric. Although Erickson has four daughters, this is the first time he has been blessed by a "son."

Mrs. Otto Kinsey, president of the Jefferson District Classroom Teachers' Association, is making plans this week to attend a three-day meeting of the California Teachers' Association. The meeting will be held October 28 through October 30 at Asilomar.

Lester DeWitt, 246 Farallones street, is the new assistant manager of the Daly City Theatre. DeWitt comes to Daly City from Ukiah where he was manager of a theater in that community. He has several years of experience and will be in an excellent position to help the patrons of the theater.

Sam Costanzo, 1112 Hanover street, is telling a story this week about a barking garden gate. And it's no lie. The gate actually did bark at 9:21 p.m. Tuesday, in fact so loud and furiously that Costanzo had to call the police for help. When officers arrived they quickly surveyed the situation, and pulled a dog from between the pickets on the garden gate. It is reported today that both Costanzo and the dog are doing well.

Mrs. Florence Welch and daughter, Mrs. Margaret Ferguson of 2134 West First street, Vancouver, B.C., are guests at the home of Mr. and Mrs. W. E. Roberts, 226 Hillside, this week. Following their visit with the Roberts, the two Mesdames are planning a trip to Los Angeles. They will leave for the south during the latter part of this week.

Allen Hertel, 119 Winchester street, is an old hand at dealing with dollars. He's the smiling gentleman behind the counter of the water department in city hall. At one time or another everyone has handed him money. Perhaps with a feeling of luck, he took a few of the silver coins (his own, by the way) to Reno on his vacation a few months ago. The feeling proved false as friend Hertel returned to Daly City with 10 cents. But brave soul that he is, Hertel did not lose courage. Last week he went back to Reno and this time he returned triumphant to Daly City. He'd won 10 times the amount of "loot" as on the previous trip, mainly $2.30.

Salvatore J. Passanisi, 4028 Army street, and Anthony J. Pulvirenti, 2358 Lombard street, have taken over the produce department in Milo's Market, 6315 Mission street. These two San Francisco gentlemen are now handling all produce at Milo's and are anxious to meet everyone in Daly City.

Lyle VanDer Werff To Marry S. F. Girl October 29th

Slipping a ring on the finger of his wife to be, Jeannette Layrac, Saturday, October 29 will be Lyle Van Der Werff, at the Grace Presbyterian Church.

Miss Layrac is the daughter of Mr. and Mrs. Layrac of 1238 Gillman avenue, San Francisco. She attended high school in that city, and at the present time is employed by the Bell Telephone Co.

Lyle is the son of Mr. and Mrs. Andrew Van Der Werff, 1135 Brunswick street. He is a graduate of Jefferson High school and is employed at a San Francisco manufacturing company.

Following the simple wedding in the church parish hall, the couple will honeymoon in Carmel. Upon their return they will take up residence at 56 Knowles street, Daly City.

Sunday School Now At Congregational B'Nai Israel

Beginning this Sunday, October 23, the Congregational B'Nai Israel, 67 Los Banos avenue, will hold a Sunday school.

All children of Jewish faith are invited to attend the services which begin at 10 a. m.

Other services held by the church include: evening services, Friday at 8 p. m.; meeting of the Men's Club at 8:30 p. m. this Wednesday; and a meeting of the Daughters of Israel at 8:30 p. m. Thursday.

All of the meetings and services are held at the church at 67 Los Banos avenue.

Woodrow Wilson PTA Planning Food Sale

Plans for the Woodrow Wilson PTA "Cooked Food Sale" will be discussed at a special meeting Friday, October 22.

Attending the meeting at 34 Bepler street will be the hostess, Mrs. Emil Bertelli, and Mesdames Michael Sebitz, Charles Wilson, Henry Adami, Harold Riley, and John Sorenson.

The "Cooked Food Sale" is to be held Saturday, October 29, at 10 a.m. at the Sprouse-Reitz store, 6400 Mission.

Meanwhile, plans are going ahead for the annual membership campaign which opens Monday, October 24, and ends Friday, November 4

Graphs and posters will be located in the halls at school showing progress made toward the 100 per cent membership goal for each specific room. The class having the greater number of parents joining the PTA will be given a party.

Mrs. James Surber is the chairman of the membership campaign. She will be assisted by Mrs. Betty Reynolds.

"Every parent and patron of the school is encouraged to be present and participate in all the PTA meetings," Mrs. Surber said.

Hailed a success today is the "Father's Night" program held at Jefferson High school October 18. This was the 16th year that Woodrow Wilson PTA has participated in this event.

Under the direction of Mrs. Aileen Bostwick, fourth grade teacher, the following children participated in the program by singing two musical selections and presenting a Mexican folk dance:

Wilma Tholen, Margaret Tarango, Virginia Tarango, Kay Harris, Barbara Petit, Cecile Champagne, Judy Larcher, Carmon Bria, John O'Keefe, John Miller, Richard Erickson, Peter Rogerson, George White, Jack Klassen.

Gen. Pershing PTA Executive Board Meets Thursday

Members of the General Pershing PTA executive board will meet October 27 at 7:30 p.m. at the home of Mrs. D. C. Gensel.

All members of the board are urged to attend.

Likewise all PTA members are invited to come to the next general meeting, November 8, at the school, beginning at 1:30 p.m.

Meanwhile, GPPTA played a large role in insuring the success of "Father's Night" Tuesday.

Mrs. Arthur Lauffenburger's clever skit on family life at breakfast, brought laughs and applause from the mothers and fathers, and even the children in the audience.

The skit centered around poor "Father's" efforts to get a cup of coffee, while mother fixes lunches, keeps the children in some degree of order, and talks to a snooty neighbor girl, who drops by for the daughter of the house. The two school boys add their own small bits of confusion to the scene and "Father," after being served a steaming brew, snorts, "Cocoa," and stumps out of the house with the terse comment that he will get his own coffee downtown. Mother remarks about the unreasonableness of men, and sits down to enjoy a quiet cup of coffee, after the family disperses to school and office.

The cast was excellent and well chosen. All were so good it is difficult to pick a "winner," but Mrs. John Eason, as the grumpy "Father" was mirth provoking and realistic. Here is the cast of characters: Mrs. George Freeland, as "Mother," Mrs. John Eason, as "Father," Mrs. A. S. White, as the daughter of the house, Mrs. R. F. Traxler and Mrs. D. C. Gensel, as the "Boys," and Mrs. James Jordan as the snooty neighbor girl.

Thanks to Al Lugby of Jeff Hi for his assistance as stage hand and to (name unknown) boy who took pictures of the play for publicity.

General Pershing P.T.A. is happy to report that the long hoped for silverware has been ordered and will be used at the next general meeting at the school.

CDA No. 1005 Plan Hallowe'en Party

Celebrating Hallowe'en a few days early, members of the Court Salesian No. 1005, Catholic Daughters of America, will hold a party October 27.

The Hallowe'en party will be held at 89 Francis street, San Francisco. No time has been set, although festivities probably will get underway at 8 p.m.

All members and friends are invited to attend, and it is hoped they will be present in the appropriate costumes. Mrs. Rose De-Gregoria is chairman of the evening.

Meanwhile, another important date for the CDA members to note is December 2. That will be the day of the annual whist party at Guadalupe Hall, 4553 Mission street, Mrs. Honora Cronin will be chairman of the game which will begin at 8:30 p.m.

Assembly Of God Church Begins Radio Show

The Assembly of God Church, 6276 Mission street, will begin a weekly radio broadcast at 9:30 Saturday evening.

The broadcast will be over KSAN, 1450 on your radio dial. The title of the program will be "Calvary Memories," under the direction of the pastor of the church. "Calvary Memories" will be a 30-minute program of gospel music under the leadership of Calvin R. Zeissler, assistant pastor of the Assembly of God, and a brief gospel message by the pastor, Melvin W. Steward.

Sunday morning, October 16, over $724 was raised to complete the final payment on the lot purchased by the church. The blueprints for the new building will be started in the very near future.

The religious survey being made by the Assembly of Good Church began Sunday afternoon at 3 p.m. with over 150 homes contacted by the groups.

The speaker for the morning and evening services Sunday, October 16, was James R. Adkins, missionary to the Philippine Islands. Rev. Adkins sailed Thursday for Manila.

Happy Birthdays!

Harry, the "Happy Baker" this week extends congratulations to nine Daly City area residents who will be celebrating birthdays next week.

There will be nine such birthday cakes in the area during the next week. Harry hopes the majority of these will be marked by a cake, or other bakery goods from his shop.

October 21 — Barbara DeBruno, 71 Mateo avenue; Eugene C. Huber, 115 Vale street.
October 22 — Buck Cadan, 255 Station avenue.
October 23 — Rachel McCahon, Rt. 1, Box 234a, Colma; Carl Firpo, 63 Werner.
October 24 — Mrs. B. Fappiano, 799 Hillside.
October 25 — Irene Schmidt, Colma.
October 26 — Leroy Davis, 201 Citrus avenue.

GUEST SOLOIST—Margaret Truman will make her first professional appearance in New York City at Carnegie Hall on Tuesday, Dec. 20, when she will be heard as guest soloist over a nation-wide hook-up. Miss Truman discusses program details with her sponsor, Charles H. Wagner, president of the American Oil Co.

Edgewood Group Plans To Form Garden Club

A possible new garden club for Daly City was being discussed today by members of the Edgewood Terrace Civic Association.

Plans for the club will be presented at the next regular meeting of the association at city hall, 8:15 p.m. Tuesday.

At a special meeting of the Garden Club Investigation committee of the association last Thursday, the problem of forming a club was aired.

Guest speaker at the home of Mr. and Mrs. Harley Hooker, 26 Muirwood drive, was Mrs. Gordon Henningsen, Oakland director of District No. 4 of the California Garden Clubs Inc.

On advice given by Mrs. Henningsen, Mr. Hooker suggested that perhaps the proposed club should include not only members of the Edgewood Terrace Civic Association, but also garden lovers in Daly City. Mr. Hooker's suggestion will be discussed at the Tuesday night meeting.

Others present at last Thursday's meeting included: Mrs. David Bunckley, club chairman, Mrs. Jerry Haitt, Mrs. Charles Hansen, Mrs. Elsie Garrison, Mr. and Mrs. Mollette and Mrs. Rozelle Reginelli.

Lutheran Church "Thank-Offering" To Be Held Sunday

This Sunday evening at 7:30 the Women's Guild and Mission Society of the Lutheran Church of Our Savior, will hold its annual "Thank-Offering" service.

The service is being planned by Mrs. James Jones, who is "Thank-Offering" chairman of the group, and the pastor, Rev. Robert G. Konzelman. Members of the guild will take part in the service and the pastor will preach the sermon.

Each year at this service the women of the church make their "Thank-Offering" for the Lord's Work of Missions. Each woman is given an attractive bank box each October and through the year she deposits her gifts in it, bringing it to the Lord's House for consecration at the time of the annual ingathering. Mrs. Everett Pimentel, 772 Head street, is president of the group. The public is invited to attend this service.

As usual, Sunday school will convene at 9:45 a.m. this Sunday. A record enrollment has been enjoyed this fall and all departments including the adult have been greatly increased. The Sunday school is in the midst of a program to enlist for Christ, the parents of every child enrolled.

At the main worship service of the day, which takes place at 11 a.m., Pastor Robert G. Konzelman, B.D., will preach on the theme "The Blindness of Unbelief." Parents with pre-school children are invited to leave them in the church's nursery while they enjoy the worship service.

The Lutheran Church of Our Savior, located on the corner of Junipero Serra and Garfield (within sight of the San Mateo county line), is well situated to serve you, being accessible by both bus and street car. The church was established in its present location three years ago and is now enjoying the first unit of its proposed church plant.

There is in this growing mission an energetic program for every member of the family and above all a Christ-centered message which speaks to the hearts of all. The pastor is at your service night or day and can be reached by phone (JU 4-8501 or JU 4-0293) or at the church office any morning, Tuesday through Saturday.

Troop No. 1 Girl Scouts Visit City Hall

By Esther Larson
Troop Scribe

Girl Scouts of Troop No. 1 were visitors to city hall Monday.

Mrs. Michelsen, troop leader, and Mrs. Prescott, assistant leader, were absent, but the girls were accompanied by Mrs. Larson, coleader, and Mrs. Mejia, troop committee member.

Chief of Police W. W. Sunderland showed the troop through the building. The girls were seated in the court room while Chief Sunderland explained the purpose and functions of the court room and its relationship to all citizens in legal as well as civic matters.

The "up to date" equipment of the police department was displayed and the communication systems were demonstrated. The fire alarm system was also explained, much to the satisfaction of the girls, who now know what makes the whistle blow.

The vacant jail cells were shown, at which time Chief Sunderland commented:

"Being Girl Scouts you'll never see the cells except on a tour."

He complimented all Girl Scouts when he said he has never known one to be a juvenile delinquent. However, he cautioned the girls and gave advice on the necessity and proper way to report "pick-ups."

Each girl wore a Community Chest red feather. Girl Scouts are an agency of the Chest.

Troop No. 1 thanks Chief Sunderland for his kind cooperation.

Meanwhile, this week's surprise treat of home made fudge and candy balls was served by Sonya Thorne and Joan Dunne to the Girl Scouts of Troop No. 1 at the regular meeting Monday, October 17.

The meeting was called to order by Troop President Patty Michelsen and after collection of dues by the treasurer, Claudette Covelle, the roll call and minutes of the last meeting were read by Secretary Carol Morris.

Plans to begin outdoor cooking were discussed and the troop divided into two patrols. Each patrol will meet once a week for a backyard cook-out.

The cook-outs will be under the direction of Troop Co-leader, Mrs. Larson, who is at present attending a training course on "Progressive Out-door Cooking for Girl Scouts."

Crocker PTA Exec. Board Meeting Tuesday, Oct. 25

Meeting at the home of Mrs. James Jordon, 576 Bellevue, Tuesday, October 25, at noon will be the Crocker PTA executive board.

Members are asked to be present, and to bring sandwiches. This is an especially important meeting as plans will be discussed for the Crocker bazaar to take place in December, Mrs. Erwin Schmidt, president, said.

At still another meeting, this time the 17th district conclave at Half Moon Bay October 20, Mrs. Schmidt and Mrs. Herman Kohlbrenner represented the Crocker PTA. Speaker of the all-day-session was Dr. Ralph G. Eckert, chief of the Bureau of Parent Education.

Mrs. Schmidt also wishes to remind all members to listen in Tuesday morning over station KSMO to the 17th District CCPT broadcast, the "Inquiring Parent." The program is on the air from 11:15 to 11:30 p.m. This week's topic will be "Junior Has His Troubles."

Meanwhile, the Crocker PTA was well represented at the Jefferson High school "Father's Night," Tuesday.

Representing Crocker at the affair were:

Miss Carrol Bate, who presented two piano selections.

Jerry Echols, who played two numbers on his electric guitar.

Sherwood Rupp, who gave some wonderful impersonations of radio and screen favorites.

Miss Alice Quickert, who played the marimba.

Mustangs Take 7th Game To Win Second Place In Western Football League; Play Piedmont This Sunday

By Allen Pettigrew

Daly City's massive linemen and flashing backs reduced the all-colored Oakland Devils game Saturday night to a complete rout, romping to a 20 to 0 victory.

This, the seventh win of the season, assures the Mustangs a berth in the championship playoffs. They are now second in the Western Football league.

Sunday the local lads travel over to Oakland to meet the Piedmont AC, led by Bob Zappatini, former Stanford star. Kickoff time is 2:15 p.m. at the Piedmont high school field.

Paced by the brilliant offensive ends, Chuck Adams and Dick Meyers, the Mustangs produced their seventh win of the season, with but one setback. The Mustangs' first tally was set up when Duke Marlowe, Q, passed 35 yards to Dick Myers, who turned in a stellar performance before being removed early in the fourth period, due to a leg injury, who made a spectacular diving catch on the Devils' 4 yard line. Three plays later, Marlowe hit paydirt from 2 yards out. First quarter, Mustangs 6-0.

Midway in the second period the Mustang backs slashed and ripped through the Devils' line on a sustained drive to the Oakland 26 yard line. On third down and 6 to go, Marlowe started a bootleg around right end. The Devils secondary moved in to stop the run. Marlowe spotted Joe Tudoni, right half, on the Devils' 2 yard line and jumped into the air and heaved a perfect pass to Tudoni, who tumbled into the end zone. The try for point found "Tubs" Currier make his debut as a place kick specialist. The kick split the upright perfectly. First half, Mustangs lead, 13-0.

The start of the second half found the Oak Devils trying desperately to overcome the two-touchdown lead the Mustangs had compiled. One halfback in particular almost did succeed. The left halfback named Patterson on the Devils squad, though weighing only 145 pounds, was truly one of the most elusive runners seen here for quite some time. Had it not been for the terrific line play of the Mustangs' defensive men like Coccellato, Martin, Rogers, Rivers, and the rest of the Mustang stalwarts he might have broken the game wide open.

During the third period the Mustangs played strictly defensive ball to secure their lead. Midway in the fourth period the Mustangs started another sustained drive led by the adept ball handling of Bob Plyer. With third and 5 yards to go, on the Devils 14, Plyer executed a perfect jump pass over the middle to End Adams, who caught it on the 7 and fought his way into the end zone. "Tubs" Currier made it two for two in his second time up for the extra point with another perfect kick. Final score, Mustangs 20-0.

JS Merchants Tie Syls; Play Grosso Sunday

Although the Junipero Serra Merchants failed to reach first base once on a hit last Sunday, they managed to tie Syls Service 3 to 3.

All the scoring was accomplished on errors and walks by the other team. But even Syls didn't do too well in the hitting department, getting only six off of Bournellis and Cirmele, Merchants' pitchers.

The majority of Syls' three runs were scored on an error or balk by members of the Merchants team.

Doing excellent work for the Daly City team were such players as Fazzia, playing center field; Dotali on third base, and Fred Lucia on second base.

This Sunday the Merchants meet Grosso Music at Funston No. 2, at 3 p.m. This will be the second game in the "AA" winter league.

DC Boys Club Wins One; To Play Loop Bowl This Sunday

By Angelo Craviotto

After bowing to the Guadalupe Parlor October 9 by a score of 8 to 0 the Daly City Boys Club tangled with the San Francisco Hornets in a see-saw battle, coming out with a 10 to 9 victory, Sunday.

It was a game that saw them take a three-run lead in the second inning but relinquish it in the third when the Hornets scored four times.

There was only a two-run lead by either team, until the ninth when, with two away, Daly City scored four runs to ice the game and their first league victory.

Much of the credit for the game can go to pitcher Aldo Canepa.

This Sunday, October 23, the Boys Club will play Loop Bowl at Marchbanks at noon. Come out and see your team attempt to take their second league game.

FROSH-SOPH LOSE TO LINCOLN 13 TO 12

Last Thursday, October 13, the Lincoln frosh-soph traveled up to the Indians' homefield to open the 1949 frosh-soph football season.

Though Jefferson was the better team on both offense and defense, Lincoln came through to win by one point, 13 to 12. The Jefferson backfield on offense did very well in running the ball, but almost every time they made a few yards the play was called back because of an offside.

The Jefferson team is green, but there should be no excuse to lose a game because of a few players who can't stay in place on offense. Maybe after another week's practice the team can improve and come out on top when they meet Sequoia October 20 at Sequoia. Jefferson's tackling was poor most of the time, and the blocking was fair. Lincoln used a double wing on offense and Jefferson a short punt formation. When Lincoln was on offense, the Jefferson line got into the wrong formation and the Lincoln backfield ran right through the Jefferson line.

Jeff scored in the first quarter when Ray Tschirgi ran over and in the third quarter when Ray Tschirgi again ran over. Don (Shrimpo) Espinoza ran the ball well at the left half slot, but because of a back injury which he received in a game with Serra a week before, Don could not do too much running.

Norm Cady played good ball on defense as did Tom Leach. Stanly Davis looked exceptionally good and all I would say is watch him in the future. Floyd Gonella played a good defensive game at left tackle.

The Frosh-Soph is green in some respects and strong in others, but the boys like football and really play it at all times. Jefferson will take on the Sequoia frosh at Sequoia on October 20, 3 p.m. So far, Jeff has won none, lost 1 and tied 2.

JEFFERSON'S 10s AND 20s WIN SECOND LEAGUE GAME

With a win over San Mateo, the Jefferson 10s and 20s garnered another league victory, this time over Half Moon Bay last Thursday, October 13. The 10s won by the low score of 18 to 14.

The 20s, taking advantage of every shot, won by the score of 33 to 7. Coached by Coach Mike Orlich, the 10s and 20s look as if they might take a championship this year. Coach Orlich has done an excellent job in coaching these teams, and if his teams take the championship, he should be given a lot of credit for a job well done. Coach Orlich came to Jefferson in 1948, and took over the coaching of the 10s and 20s.

Since then, he has built his team up from almost nothing. He gives all the boys a chance and shows them all there is to know about basketball. A good coach will teach good sportsmanship, and this is just what Coach Orlich does. Coach Orlich will also take the task of coaching the varsity basketball team in December. Don't be surprised if you see a winning team in '49.

Lions Maul Jeff 20-0; Indians Vs. Sequoia Friday

By Milton Tromborg

Licking their respective chops today are the Lincoln Lions who gobbled up the Jeff Indians on the gridiron last Friday by 20 to 0.

That was the first game of the fall season. Previously Jeff had taken two practice games.

Friday, October 21, at 3p.m. the Indians meet Sequoia on the Jefferson field. This promises to be a tough fight, but nothing compared to last Friday's tustle.

Jefferson held the Lions in the first quarter, but in the second and third quarters the Lions tallied three times to win by the final score of 20 to 0. Both teams played good clean football. The only injury in the game was Leo Lemon, the left end for the Jefferson Indians. Jumping up for a pass, Leo in some way broke his wrist.

Both teams were up against different offenses, Jefferson using a T formation and Lincoln a single wing. Though Lincoln won the game, Jeff looked like the better team. Jeff lost the game on fumbles and penalties. Jeff would no sooner make a gain on a run or pass, when the play would be called back because of an off-side. Jeff fumbled the ball from the center position about three times, with Lincoln recovering the ball. Also on a few running plays the Indians fumbled and lost the ball. Jeff lost the ball many times in their own territory which enabled the Lions to get in better scoring position.

In the first quarter, Jefferson kicked off to Lincoln. Lincoln took the kick-off on their own ten yard line and advanced the ball to their own 25. On a series of running plays, the Lions were able to get to the Jefferson two yard line. The Jefferson defense woke up, and the Lions could not score on first, second, third, or fourth down. Here the Indians took over, and their running power started to roll. Don Lunghi, Max Kliem, and George Ritter ran the ball down to the Lions' two-yard line. Here the Lincoln defense put a stop to the Indians' running and Jefferson could not score. Lincoln took over and ran one play before the quarter ended, the score, Jeff 0 Lincoln 0.

The Lions started the second quarter from their own two-yard line. Running through the Jefferson defense on every play, the Lions scored from the five-yard line. The try for the extra point was good, so the score stood Jeff 0 Lincoln 7 at half time.

In the third quarter, Lincoln kicked off to Jefferson. Lunghi advanced the ball to the 20 yard line on the punt return. Lunghi, Kliem, and Ritter in that order, ran the ball to the 35. Jefferson was forced to kick. Taking the ball on their own 48 yard line, the Lincoln backfield power ran all the way to the Jeff 10 yard line. Here on an off-tackle play, the Lions scored for their second tally.

The try for the extra point was good, so the score stood in the third quarter, Jeff 0 Lincoln 13. The Lions kicked off to the Indians, with Jeff advancing the ball to the Lions 48 yard line. Here fate met the Indians with a fumble, with Lincoln recovering the ball on their own 48 yard line.

The third quarter ended with the score Jeff 0 Lincoln 13. With the ball on Lincoln's 48, Lincoln's quarterback, Jack Herring, faked a hand-off, ran to the side lines, and jumped into the air and let go a long pass. Don Lunghi, playing defensive fullback for the Indians, jumped up to block the pass, but the Lincoln receiver pushed Don out of the way, caught the pass, and ran for a touchdown. The play was called back, and Lincoln was penalized 15 yards. Still trying for one more tally, the Lions ran the ball to the Jefferson 10 yard line. Here halfback Jim Unger ran over for the last Lincoln touchdown.

The try for the extra point was good.

The starting lineup for the Jefferson Indians is as follows: Leroy Gonzales, left end; Rich Harrison, left tackle; Don Hamann, left guard; Leo Bricker, center; Jess Martinez, right guard; Co-captain Frank Druhan, right tackle; Leo Lemon, right end; Vince Baggetti, quarterback; Don Lunghi, left half; Max Kliem, right half; Co-captain George Ritter, fullback. The Jefferson team is well coached by Coach Glenn South, so if the boys get down to work, the Indians should come out and win their share of the games.

Ninety-eight per cent of all fish caught are taken north of the Equator, although the greatest ocean area lies south of the Equator.

Jeff, OLPH Take Games In Touch Football League

Taking winner's honors last week in the Daly City Recreation touch football league were Jefferson and Our Lady of Perpetual Help schools.

Jeff's "A" team defeated the Woodrow Wilson "A" team by 6 to 0, while OLPH school took Crocker 28 to 6. In the "B" team league the story was the same as Jeff beat Woodrow Wilson 26 to 6 and the OLPH team downed Crocker 12 to 0.

This Saturday the feature game should be between Crocker and Jefferson, as both are now trying to gain second place in the "A" division behind OLPH school.

The schedule for the Saturday games is as follows: Jefferson vs. Crocker, Marchbanks field No. 1, B team, 10 a.m.; A team, 11 a.m.

Woodrow Wilson vs. Perpetual Help, field No. 2, B team, 10 a.m.; A team, 11 a.m.

Last Saturday approximately 400 boys and girls enjoyed the second Saturday of the football season. The girls are to be complimented for the support they have given their respective teams. The girls from Jeff were dressed in their school colors of red and white and they made a colorful addition to the morning activities.

Other girls from the three schools are invited to come to this Saturday's games wearing their respective school colors.

Now here is a "breakdown of last Saturday's games.

JEFF "A" VS. WOODROW WILSON "A"

Playing for Jefferson were: Allen Anthony, c; Robert Marsmall, re; Richard McDonald, f; Charles Maynard, rh; Nick Ciardella, lh; John Geersten, le, and John Marshall, substitute. Player of the week for Jeff was Richard McDonald, f.

On the Woodrow Wilson team was Dallas Affelter, Marvin Abraham, Bob Carreiro, Raymond Means, Jack Thur, Walter Huntsman and Bob Armstrong and Ed Gallagher as substitutions. Player of the week was Walter Huntsmen.

OLPH "A" VS.CROCKER "A"

On the OLPH team were A. Squire, Gilbert Fontanio, G. Dreyfus, R. Rosa, John Robinson and Mike Laramie, with Madden and Mushado as substitutes. Rosa was the player of the week. Rosa and Robinson did most of the passing and touchdown work with Fontana also coming in for his share of the glory along with Larmie.

Playing for Crocker were Galendo, Lewkantz, Hank Ziegle, Ken Moudy, Martin Verece and B. Butler. Ziegele was the player of the week. The only 6 points racked up by Crocker were made on a touchdown from Martin to Ziegele in the last play of the game.

JEFF "B" VS. WOODROW WILSON "B"

On the Jeff side were: Mario Serini, Fred Bertetta, Floyd Kramme, Bobby McDonald, Herbert Frost, Al Lagomarsino, with substitutions H. Kramme, A. Hallingsworth, R. Guisti, F. Bartoli, A. Figone, W. Fransberg. Player of the week is Al Lagomarsino. Lagomarsion, McDonald and Frost scored, as did Bertetta on a pass.

Playing for Woodrow Wilson were Rogers, Marquez, Rasmussen, Kleese, Means, and Mecchi with Trotter, Fortier, Mecchi, Atterbury, Rector and Hawthorne as substitutions. Player of the week was Kenny Kleise, who made the only score for his school.

OLPH "B" VS. CROCKER "B"

On the OLPH side were Tom Ryan, Jerry Fortman, Don Ricci, Aldo Bacigalupo, Vernon Bacigalupo, Vernon Waligora and Richard Gorzales. Larry Kennedy, Frank Cirimele and Danny Curtain were substitutes. Player of the week was Vernon Waligora, who made two of the scoring passes to Ryan and Gonzales, respectively.

Playing for Crocker were Ellis Pizi, John Lucio, Dick Kalinin, Wesley Yates, David Cruse, Tom Costello. Substitutions were Watso, Miller and Benevidar. Player of the week was Dick Kolinin.

A small portion of Angel Island in San Francisco Bay lies within the City and County of San Francisco.

Mission San Francisco Solano de Sonoma, at Sonoma, is now used as a State museum and memorial.

Colma Boys Club Drop Second; Play Ayoob Sports Sun.

Riding a slump down to the basement of the Seals Stadium Winter League, the Colma Senior Boys Club dropped a game to Regal Pale lase Sunday by 7 to 10.

This makes the second out of three games played that the Colma boys have lost in the league.

Sunday they hope to regain some standing when they meet the Ayoob Sports Shop at 10:30 a. m. in the Seals Stadium.

Dick Lanson, a new pitcher for the Colma lads, was on the mound until the second inning last Sunday. Although he held the "beer" boys until the second, he failed badly then, and allowed six runs to cross the plate.

By the end of the third inning the score was 10 to 1 in favor of Regal Pale. Then Tito Sarto stepped into the game to replace Lanson and held down the score.

However, despite six more runs, the Boys club was unable to make up for the loss in the second inning.

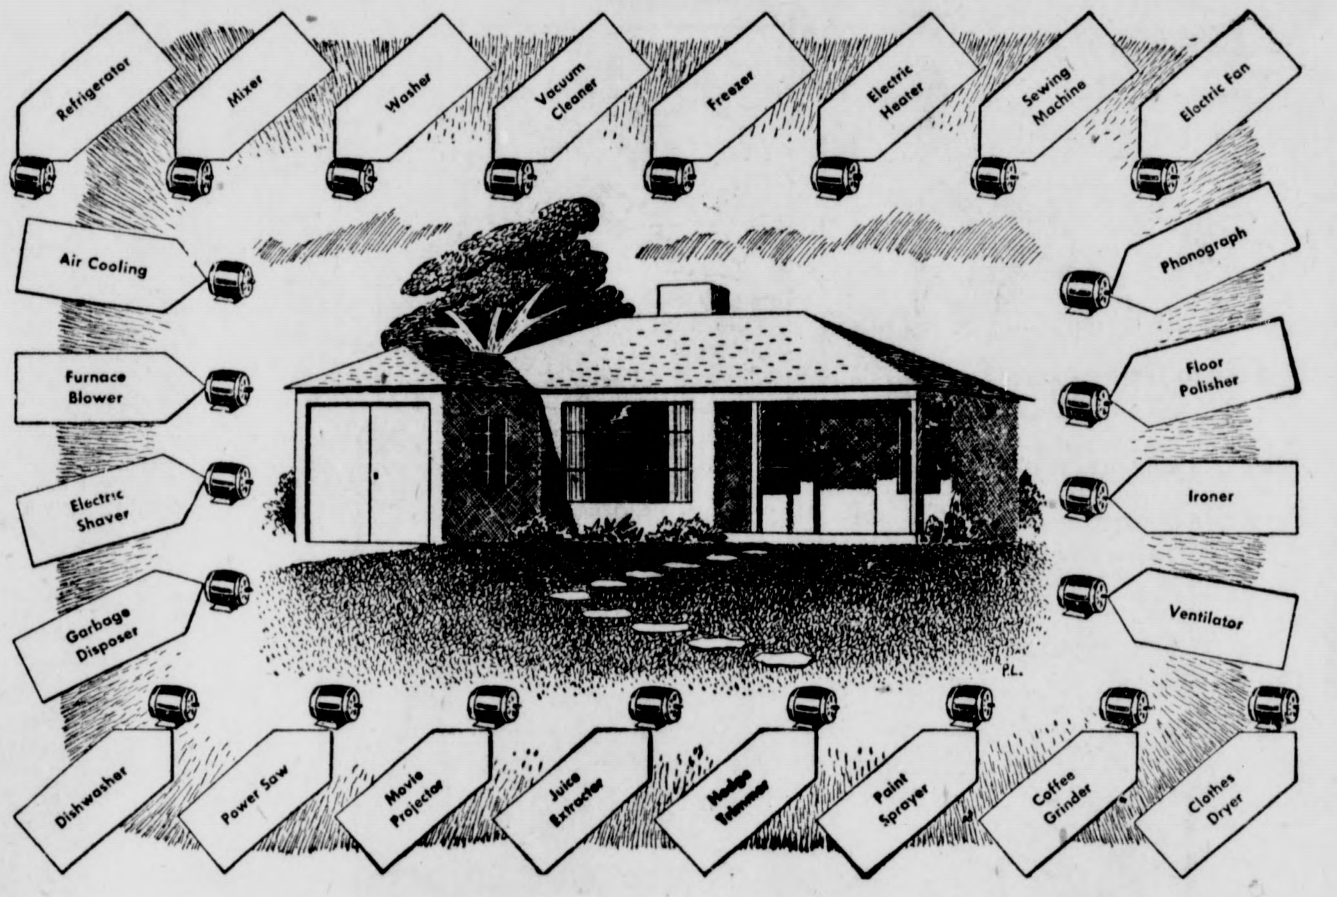
STEAM VALVE

Do you have a complaint? A suggestion? Comment?

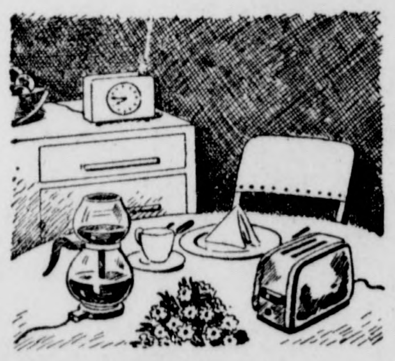
The Daly City Record will be glad to print letters submitted by local people on local subjects, in a "LETTERBOX" column on Page 2. The column will be printed whenever such letters are received.

Letters of public interest are welcomed for publication, so long as they are not libelous. All letters sent for publication must bear the author's signature, although the signature will be withheld from publication if requested. Unsigned letters will not be published.

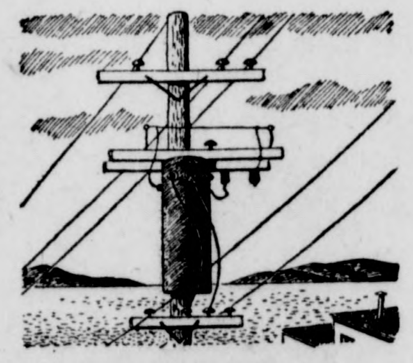
How many small motors are working for you?
Have you counted them lately?



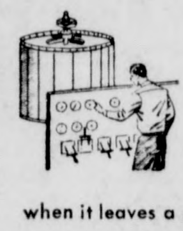
Electric motors **do more work in** your home than you may realize. Motor-driven devices are the "chore boys" in California homes and gardens. Their usage is high because electric rates here are low... much lower than the national average. For instance, electricity runs a refrigerator **or freezer for** less than five cents a 24-hour day. Your kitchen is fanned free of cooking fumes—electrically—for about three cents a week, and a motor in an electric dishwasher "does the dishes" for just a fraction of a penny a day for electricity.



Electricity works early and late in your home for just a few cents a day. A penny's worth of electricity runs an electric clock at your breakfast table accurately for five days or toasts twenty slices of bread or brews nineteen cups of coffee.



Electrical servants do so much yet cost so little, despite our greatly increased costs of producing and delivering electricity to your home. The price of power poles alone is up more than 100 per cent; transformer costs are up 30 per cent.



For the record
Your household electricity is a manufactured product. It is raw, bulk power when it leaves a generating plant at 220,000 volts. It is then transformed as often as FIVE times before it becomes the "household size" electricity so indispensable in your home.

P. G. and E. Service—does so much... costs so little

Night Classes Open At Jeff High October 25

Miss Elizabeth Jones will teach sewing. In this class women may make new garments or remodel wearing apparel. Miss Jones has had years of experience and the high quality of work done in the day classes gives assurance to those coming to the adult class.

Mrs. Marjorie Reandeau, too, is a member of the regular faculty, well qualified in her field. It is important in a skill subject, such as typing that the students attend every session.

Metal Craft will be taught again by Durant Moseley. This class has been very popular in the past and a good enrollment is anticipated. Jewelry and decorative household articles are made by the students, who pay for the materials used.

The board of trustees has adopted the policy of requiring a minimum attendance of twelve in each class. It is anticipated that this minimum will be exceeded in the classes started.

Some interest has been shown in parliamentary procedure, ceramics, shorthand and landscaping. If enough others phone in and inform the school of their interest it is possible some of these classes will be added to the program.

Small Grass Fire Sunday, But Three Engines Turn Out To Fight The Blaze

Only one fire was reported over the week end.

This was a small grass blaze at Frankfort and Oliver street, Sunday at 1:05 p.m.

Fire busters from Companies Nos. 1, 2, 3 turned out to fight the fire, and one-half hour later everything was under control. Officials report damage was held to a minimum.

"Record" Reminiscence

From the "Record" 10 Years Ago
October 18, 1939

Paul G. Selmi, mayor of Daly City, will have the honor Sunday of being number one citizen at the Golden Gate International Exposition.

Slim and petite in a white lace gown cut princess style, Miss Barbara Davis will be crowned "Queen of Treasure Island" this coming Sunday.

Daly City's municipal bus line will be ready to begin operations in approximately four weeks. Delivery of two buses from Detroit is expected within the next two weeks.

It will be curtain time tonight at Jefferson High school when the Daly City Community Players present three comedies. Featured home talent will include Alfred Bulf, Dorothy Selmi, Car Sirvain, Elmer Shannon, Frances Poket, Mrs. R. T. Krogh, Jean Sirvain and Ralph Capps.

General committe for the Daly City Day at Treasure Island includes H. G. King, Mrs. Ann Eason, Mrs. Catherine Foreman, Bert Meritt, A. J. Gaggero, M. J. Conroy and Dante P. Lembi.

Mr. and Mrs. Clarence Finlauf have returned from their honeymoon in Nevada and will take up residence at 224 E. Camino Real, Burlingame.

Bethel 68, Order of Job's Daughters, will hold their visiting Bethels night Thursday. The Misses Genevieve Price, Lois Foster and Shirley Woltzen.

Jefferson lost their first game in the PAL series, 12-7, when they played Palo Alto high school at Palo Alto Friday.

From the "Record" 20 Years Ago
October 18, 1929

On Monday evening the city council met and listened to a communication from the Daly City Merchants. The merchants requested that some action should be taken by the board to require the buildings on Mission street, between the county line and Vista Grande avenue, to be of a better class.

R. C. MacArthur, manager of the Daly City branch of Bank of Italy for the past nine years, has resigned his position.

With Miss Mildred Swan in charge of the program for Sunday evening at 8 o'clock in the Presbyterian church, a number of surprises are promised. Among these will be a flute and piccolo selection by Eugene Brown.

Annexation of San Bruno, Lomita Park, Capuchino and Millbrae to South San Francisco was discussed at a meeting held in the city hall at South San Francisco last Monday.

Twenty-five eventful years of banking history are being celebrated this week by the Bank of Italy.

It is reported that the "Queen of Daly City," the fast motor boat owned by Duke Cruchoff, Peter Pavlos and William Strand, was formally launched in South San Francisco today.

Tomorrow is all-fun day at the Daly City Theatre, when Buster Keaton, the frozen-faced comedian will appear in "Spite Marriage."

The executive board of the Crocker PTA met at the home of Mrs. Julia Jordan last Tuesday afternoon. Present were Mrs. Ivay Alexander, Mrs. K. McDermott, Mrs. Ida Reiman, Mrs. Elaine Hughes, Mrs. Juanita Standish, Mrs. Sigrid Millhauser, Mrs. Edna Cosbie and Mrs. Steina Tompsett.

DC Legion Holds Navy Nite Oct. 27th

Old "sea dogs" will rule the decks at the next meeting of the American Legion Post No. 410 Thursday, October 27.

Following the regular business meeting at 8 p. m. in the Legion Hall, 474 San Diego avenue, the navy veterans will take over the program.

Special movies will be shown in addition to other varied entertainment, all of which will have a salt tang.

Admission is free and all veterans and their friends are invited to attend.

Superior Court Trial For Daly City Bookie Suspect

Awaiting a trial in San Mateo superior court today is Roy Garaventa, 151 Hillcrest drive, bookmaking suspect.

Last Friday Garaventa was ordered held for superior court trial by Judge W. J. Sweeney at a preliminary hearing. No date has been set yet for the trial.

Defense Attorney Gerard Wagstaff gave Attorney General Fred N. Howser's office a verbal whack when he pointed out that 25 per cent of the state's special agents descended on the alleged bookmaking joint at 12 Knowles avenue September 22.

There are 16 special agents in the state, S. L. McLarry, special agent, said. Four of these agents were in the raid on the alleged bookie joint, the witness testified.

It was also brought out at the hearing that Daly City Police Chief W. W. Sunderland was not notified of the raid until after it took place. Previously it was reported that Chief Sunderland took part in the raid.

Where the agents received the information about the Daly "office" was not disclosed.

There was also some question about $3,400 cash allegedly found in the room with Caraventa. Under questioning J. M. Richard, special agent from Los Angeles, said he had not given Garaventa a receipt for the money.

LARGEST..STAND..OF..TIMBER

The largest stand of virgin timber in the world is reported by the National Automobile Club to be contained in northern Arizona's 750,000-acre Kaibab National Forest.

Public Invited To 24th District "Grand Rally"

Residents of the 24th State Assembly District, San Francisco, have been invited to attend an old-time "Grand Rally Night" Saturday evening at 7 Amazon avenue, near Mission and Geneva, starting at 8:30 p.m.

John F. Shelley, candidate for Congress from the Fifth Congressional District, Supervisor Patrick J. McMurray, seeking re-election to the board of supervisors, and State Senator Gerald J. O'Gara, candidate for city attorney, will be the honored guests of the evening, according to Angelo Rolando, president of the 24th District Democrats Club, sponsors of the event.

"We want the people of the 24th District to have an opportunity to meet these mandidates whom our local club has indorsed wholeheartedly," Rolando said. "Residents of other districts are welcome to attend," he added, promising there will be plenty of refreshments on hand for all.

Dancing and entertainment will precede and follow the addresses of the candidates. "Speeches will be short and to the point," declared Rolando, "and there will be time for questions from the floor." The candidates have asserted that they will have the answers ready.

Portions of the street will be roped off to accommodate the crowd which is expected, Rolando said.

Joroslow Files As Fair Manager

Filing his application for the position of manager of the San Mateo county fair this week was Jerry Joroslow, San Mateo.

The publicity and advertising consultant in his letter stated that:

"I will make the annual event a 'true' county fair with exhibitions of flowers, poultry, livestock and agricultural products; ban all carnival bettings and phony auctions; cooperate fully with local residents and merchants and call upon local talent to help enliven the fair."

Joroslow's statement revealed that he has had over ten years experience as a business manager, administrator and public relations director.

CHECK SHOCK ABSORBERS

Part of keeping the car lubricated, despite the proneness of so many car owners to forget it, is the task of having the shock absorbers checked, advises the National Automobile Club. They are dependent to a large extent for their correct operation upon the amount of fluid in them. Over a period of months the volume is likely to change beyond that margin at which the device is capable of absorbing the shocks imposed upon it.

The amount of fluid should be checked at least every six months and the motorist should be careful to replenish the supply with precisely the liquid recommended by the factory.

There are hundreds of natural history societies in Great Britain with a total membership of more than 100,000.

Miss America May Be At Police Ball, October 29

Gents were given added impetus to attend the annual Policemen's Ball October 29 with the announcement today that Miss America might be present.

The streamlined beauty of 1949, Miss Jacque Mercer, told officials this week that she would "make every effort in my power" to attend the ball.

Should Miss America be on hand, she will take part in the Grand March through the San Mateo County Fiesta building where the dance will be held.

But, regardless of whether or not the queen of beauty line shows up, the ball promises to be one of the biggest things of the year. With decorations by Art Tremblay and music by Harry Diner, everyone is assured a time to remember.

This year tickets for the event are being sent through the mail. In addition to the ducats, the ticket purchaser also receives, free of cost, a handsome booklet showing all the masculine faces of Daly City policemen.

What? You don't want such a book? The officers admit they are not as "pretty" as Miss America but, think of the possibility of owning a book with every officer's face staring out at you. The next time one of them stops you for some offense, pick up the pamphlet, find the face, the name, and all of "it" will become much more personal.

All money from this year's dance, as those in the past, will be used to support the Peninsula Police Officers' Association widows and orphans aid.

Bay Area Transit System Proposed By SF Supervisor

Coming up with one possible answer to the bus problem in Daly City and Broadmoor this week was Supervisor Marvin E. Lewis.

Lewis proposed a coordinated rapid transit system for the entire bay area.

"We no longer can consider the transit problem as affecting just the comparatively small area of San Francisco," Lewis said. "We must study it from the point of view that the nine counties of the bay area comprise a single economic unit."

A meeting soon will be held between leading bankers and 132 councilmen, mayors, supervisors and other officials of cities in the greater San Francisco area.

Impetus will be given to the development of a sound rapid transit system when the bay area transit authority, established by the legislature this year in response to urging by the public, begins to function.

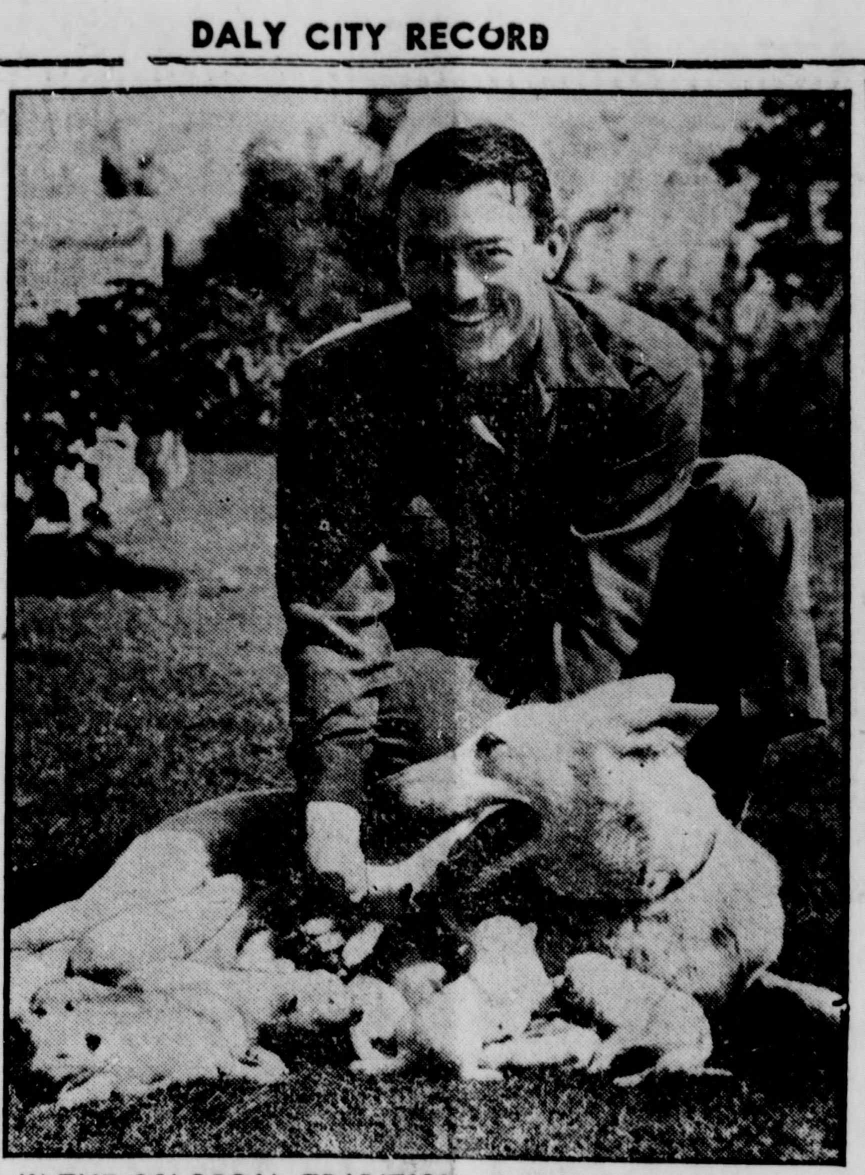
WHEEL BALANCE

An ounce of unbalance amounts to several pounds of vibrating force when automobile wheels are revolving at high speed. Severe cases of unbalanced wheels can cause steering mechanism or shock absorber links to break.

LIFE SAVER

For a safer vacation or week-end trip, have your brakes checked before you leave home. Efficient brakes can save your life, in an emergency.

Over $1,000,000 in silver has come from two silver-gold mines in Napa county, the only important contribution from the Coast Ranges.



IN THE COLOSSAL TRADITION—Hollywood's adjectives seem to affect canines, too, for Gregory Peck's Alsatian police dog recently put on quite a production of her own. Her 13 puppies merited some nursing aid from the actor, who admits he can't produce pictures as fast as his dog produces puppies.

SAN MATEO COUNTY CIVIL SERVICE

Following is a partial list of civil service jobs now open with San Mateo county.

Further information on these positions, and filing information, may be obtained at the Civil Service Commission, San Mateo county, Redwood City courthouse.

The positions are:

Medical Social Worker, $266-$332; closing date for filing, November 12; county residence requirements waived.

Public Assistance Worker Grade II, $238-$297; closing date for filing, November 19; county residence requirements waived.

Fire Equipment Operator, $238-$297; closing date for filing, November 19; all applicants must have been residents of San Mateo county for one year.

Psychiatric Social Worker, $332-$415; closing date for filing, November 12; county residence requirements have been waived.

Child Welfare Supervisor, $281-$351; closing date for filing, November 12; county residence requirements have been waived.

Arteriosclerosis Find Reported

Hardening of the arteries, the principal disease and leading cause of death in adults, may be due to a deficiency of pyridoxine, vitamine B6.

This possibility is raised by a study being made at the University of California Medical School by Dr. James F. Rinehart, professor of pathology, and Dr. Louis D. Greenberg, assistant professor of pathology. Dr. Rinehart recently was pledged $20,250 by the U.S. Public Health Service, to continue his study and to expand its scope to human subjects.

The new find is an outgrowth of a systematic study which the scientists are making of the effects of deficiencies of the various B vitamins in monkeys.

Dr. Rinehart said that it can be expected that studies of these deficiencies, as they may occur in man, may be more clearly reflected in studies of the monkey, which more closely resembles man biochemically than the lower animals.

Dr. Rinehart maintained monkeys on the complete synthetic diet for several months, then withdrew pyridoxine from the diet of one group of animals.

The scientists reported that all of the five monkeys maintained on the deficient diet developed hardening of the arteries. These experimental lesions, the scientists added, have a close resemblance to arteriosclerosis as it occurs in man.

White House Mail

Mail addressed to the White House gets closer scrutiny than any other in the land. Secret service men, postal inspectors and the mail room staff of some 20 persons analyze every piece received and use fluoroscopes and X-ray machines on all packages that arrive.

Make Paper by Hand

Hand paper making is still a sizable industry in Japan. A relatively modern machine can produce as much paper in 20 minutes as one man can make in a year, but the hand products are superior in strength and beauty.

MacArthur Stamps

The New Philippine republic honors Gen. Douglas MacArthur with three new stamps, each bearing his portrait. The stamps are four centavors gray-violet, 6-c red and 16-c blue.

League California Cities To Meet October 24-26

Traffic congestion will be the principal point of discussion at the meeting of the League of California Cities in San Francisco October 24 to 26.

The Parking Authorities Act of 1949 and other recent state legislation to encourage more rapid expansion of off-street parking facilities also will be studied.

"Our city officials will get the benefit of the experience and recommendations of some of the nation's leading traffic experts," said Richard Graves, executive director of the league.

Attending the three-day meeting will be the mayors and other city officials from the 300 cities of California.

Also scheduled for consideration in several section meetings is the problem of city relations with the unincorporated area of the county.

Governor Earl Warren will address the group on Wednesday, October 26.

International Living Plan Opens Soon In SM County

Sometime next month a Western headquarters office for The Experiment in International Living, a non-profit educational organization, will be opened in San Mateo county.

Proctor Jones, Woodside, will be the executive director for the Pacific Coast area.

Present plans call for the sending of 50 young Americans from this area to foreign countries during the next 12 months.

"Purpose of the organization," Director Jones said, "is to bring about peaceful relations and understainding among the various people of this earth."

Under the program of the experiment, more than 2,500 Americans have been sent abroad. This summer saw the greatest activitiy with over 400 participating.

The experiment also works in reverse. Arrangements are made through its offices to locate homes for foreign students attending American universities.

Social Security Broadcast Topic

Now to be heard every Tuesday over radio station KVSM, San Mateo, is a program devoted to social security.

Time for the production is from 1:45 p.m. to 2 p.m. The program was made possible by the cooperation of the station management with the office of the Social Security Administration, 42 North street, San Mateo.

Listeners are invited to send in their questions either to the station or the Social Security office for personal replies. The purpose of the program is to inform the public of the workings of Old Age and Survivors insurance throughout San Mateo county.

Sheep in Middle East

Sheep raising is of some importance in the Middle East, in Northern Africa, and in some central Asia regions. In these countries, however, sheep are primarily a source of meat, with wool secondary and usually of coarse types.

Broadmoor, Garden Village, Colma Sport News Wanted

The "Record" wants to write about those games now being played or planned in the BROADMOOR, COLMA, GARDEN VILLAGE districts. If YOU or your friends have any sports news from these areas the "Record" will be glad to print it on this page. Help us make a paper which will get your name, and the name of your favorite team in print. Any sports news, from Daly City, or the aforesaid areas may be mailed to the "Daly City Record," 3317 San Jose avenue, Daly City 25; or may be phoned in by dialing JUniper 5-3215.

EASY ON THE GAS

As the sun descends, let your foot pressure on the accelerator rise, urges the California State Automobile Association, pointing out that the majority of traffic fatalities occur at night, and speed is the major cause of traffic deaths.

Humboldt county was organized in 1855.

ON GUARD

"He is most free from danger who, even when safe, is on his guard," says an ancient Roman maxim. That is another way of saying "alertness avoids accidents."

INVITATION TO DISASTER

The open road invites speed, but excessive speed invites disaster, warns the California State Automobile Association, which defines excessive speed as any speed too fast for prevailing conditions. Take it easy in your driving, particularly in heavy traffic.

S.F. Man Fined $50 For Tire Theft In Police Court Friday

Pleading guilty to tire theft in Daly City, Jules Benveniste, 52 Sala terrace, San Francisco, was fined $50 in police court Friday.

Judge W. J. Sweeney also sentenced the San Francisco man to five days in jail, but suspended the sentence and put him on six months probation.

Benveniste was spotted allegedly taking a tire from off a car in front of the Hillcrest Apartments at 1:30 a.m. October 8.

Vets Should Press Claims For Types Of Benefits

The denial of disability compensation or disallowance of service-connection is not necessarily the last word in a veteran's claim for federal benefits to which he may be entitled, according to Floyd D. Granger, veterans service officer.

Numerous veterans have come to his office, he said, with letters from the Veterans Administration containing an unfavorable decision in their case. In a substantial number of instances, it has been found possible to obtain additional evidence, re-submit the claim, and receive an award.

"The same story applies to the degree of disability that is established," Granger said. "If a veteran believes he is entitled to additional compensation, there is experienced counsel available to him for preparing his case. Don't just sit around and 'gripe" about the findings; if you honestly think you have not had fair treatment, come in and talk it over."

Compensation and pension matters are only a small part of the operation of the Veterans Service Office, which also assists veterans and veterans' dependents in obtaining all state and federal benefits made available to them by law. Education and training, medical treatment and hospitalization, National Service Life Insurance and many other aspects of veterans' benefits are covered.

The office at the courthouse, Redwood City, is open to veterans and dependents from 9 a.m. to 5 p.m., Monday through Friday and on Saturdays from 9 a.m. to 12 noon.

TURTLE HUNT PROGRESSES—At Churubusco, Ind., farmer Gale Harris, right, is still draining the lake on his farm said to be the stamping ground of a turtle "big as a barn door." Harris shows Walter Johnson, left, a 65-pound turtle uncovered in the draining

SM County Relief Up 700% in Five Yrs.

Up 697 per cent over the past five years are the number of relief payments in San Mateo county, the bay area council announced this week.

Cost of relief is now about $35.62 per person per year. To meet a small part of this added expense, county general taxes increased 77.6 per cent and the total property taxes went up 83 per cent.

In 1945, 1,793 persons were drawing relief payments in San Mateo county. By 1948, 7,157 persons were on relief.

Cost in 1945 was $40,000. The cost of this same relief, for a greater number of persons, in 1949 is expected to cost $319,000.

Co. Bldg. Volume Among Largest In Country, Last Month Totaled $1,746,140

Among the 25 leading counties in the country showing an increase in building during September was San Mateo county.

Construction in the county's unincorporated areas in September went up to $1,746,140, according to A. W. Russell, county building inspector.

Last month building permits were issued for 150 new residences valued at $1,336,809; 43 reesidential alterations, $63,968; 48 new non-residential structures, $307,376, and 19 non-residential alterations, $37,987.

California produced 4,880 short tons of zinc in 1948.

PORTENT OF WINTER—As she passed through the Chicago River locks into Lake Michigan recently, the U. S. Coast Guard icebreaker Mackinaw brought thoughts of the chilly months ahead. The hard-working vessel, 78 feet abeam, was the closest fit ever to pass through the 80-foot locks.

Daly City Area Employment Trend Now On Up Swing

Employment in the Daly City-South San Francisco area continued an upward trend this month as first observed in August last year.

This was the report today from the South San Francisco office of the State Department of Employment.

[illegible] large increases in any particular industry were noted; in fact, [illegible] plants were forced to make additional layoffs, but the general [illegible] was toward gradually increasing employment in most industries.

Although claims for unemployment insurance decreased during September, total claims are still far above the 1948 figures. Further substantial decreases cannot be considered likely at this time, as the winter season is approaching with its corresponding increase in claims activties.

It is estimated that about 1,300 people are now unemployed and seeking work in this area. This figure represents a slight decrease from August, but it is a very considerable increase over September, 1948.

P.G.E. Co. Spending $120,000,000 For Gas Transmission

Possibly one reason for the recent boost in Pacific Gas and Electric rates is the new $120,000,000 company expansion in northern and centarl California.

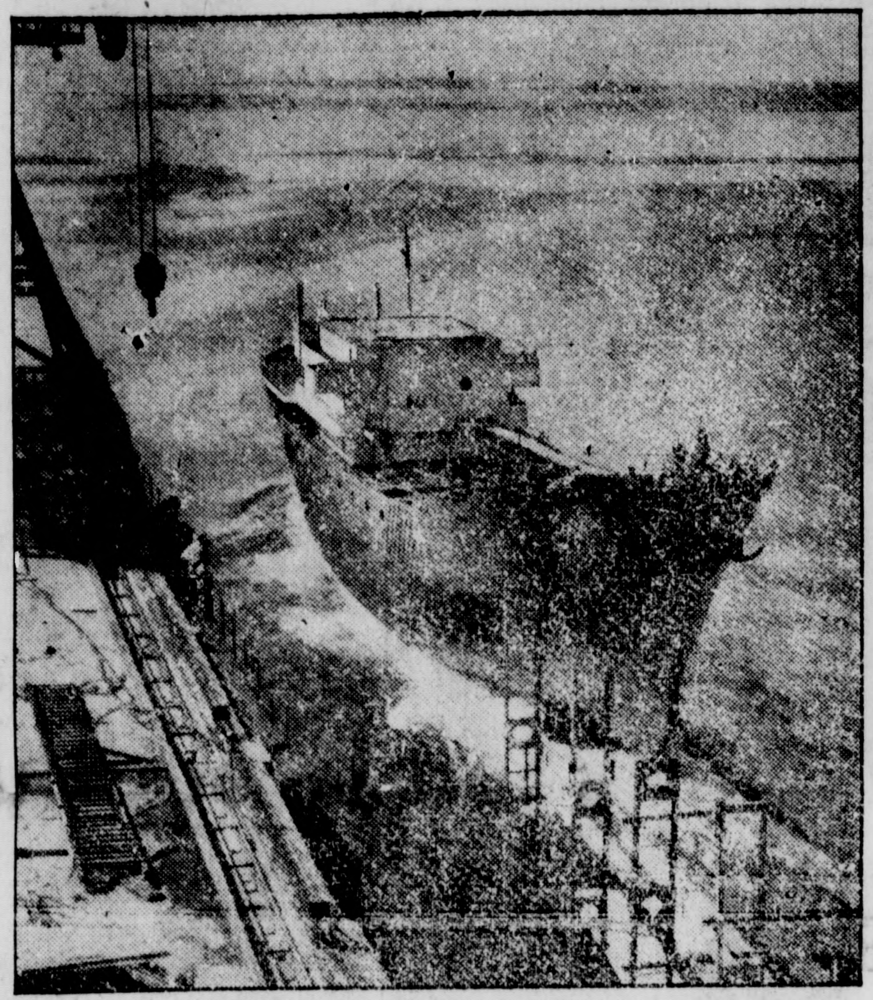
This money is being used over a four-year period for expansion of the company's natural gas transmission and distribution facilities.

"Our gas construction program is the largest in the company's history," W. G. Euler, general manager, said. "We now have nearly one million gas customers, or approximately 48 per cent more than were served in 1940."

The program includes many hundreds of miles of new transmission and distribution pipelines, storage holders, compressor stations and other facilities.

Outstanding on the long list of jobs is the "Super Inch" steel pipeline — a 1600-mile transmission system that will bring natural gas from fields in Texas and New Mexico to northern California. The schedule for the new pipe provides that deliveries of Texas - New Mexico gas will begin early in 1951.

GHOST GALLOPS AGAIN—Harold "Red" Grange, the former University of Illinois and pro football great, here demonstrates the art of stiff-arming to Raymond Freeman, 12, a pupil in one of the eight junior football schools conducted by the Chicago park district. Grange, the "Galloping Ghost" of the '20s, is roaming the gridiron again as supervisory coach of the program.



GETTING UNDERWAY—The "Genepesca I" is launched in the Free Territory of Trieste shipyards, the first of six ocean-going fishing ships to be built with Marshall Plan help. An Italian fishing company will use it to fish in the waters off Newfoundland, the catch to be processed for Austrian and German markets.

New Compensation For Vets Becomes Effective Dec. 1

Liberalized new compensations for veterans, their dependents and beneficiaries, were signed into law recently by President Harry Truman.

The compensation increase in basic rates becomes effective December 1, 1949.

In addition the new law will:

1. Provide additional compensation for veterans with dependents who are rated 50 per cent or more disabled. Heretofore only veterans with dependents who were rated 60 per cent or more disabled were eligible to receive additional compensation.
2. Raise the rate on compensation for World War I veterans with "presumed" service-connected disabilities to the rate currently being paid to veterans whose disabilities are determined to be directly service-connected.
3. Establishes new progressive compensation ratings for veterans with arrested cases of tuberculosis. It provides for 100 per cent rating for the first two years following the date the disease was arrested. For four years after the rate is set at 50 per cent. The law also fixes disability ratings for longer periods and requires a veteran to submit to examination and follow prescribed treatment. Failure to do so may result in his rating being reduced from 100 per cent to 50 per cent for the two years following the arrest of the disease.
4. Increase the death compensation to wartime widows with one or more children.
5. Liberalizes present rules barring payment of compensation for injury or disease incurred (not as a result of own wilful misconduct) while under military or civil confinement. It holds such confinement to be "in line of duty" providing a court martial sentence of dishonorable discharge is remitted or in cases of civil confinement the offense does not involve a felony as defined in the jurisdiction where sentence is imposed.

For all World War II veterans with service-connected disabilities and those World War I veterans whose disabilities have been determined by VA to be directly service-connected the 8.7 per cent across the board increases will apply. For example a veteran who is 10 per cent disabled and comes under either of those two categories will receive an increase in his monthly compensation check from $13.80 to $15. Others in those categories whose disabilities range up to the 100 per cent maximum will receive proportionate increases in their checks. Thus such a 100 per cent disabled veteran will get $150 instead of the $138 he now receives.

Peacetime rates for service- connected disabled veterans are fixed by law at 80 per cent of wartime rates. Thus they will be automatically increased by the new law also.

Junior's Problems Investigated On PTA Broadcast

What to do about the problems of a three-year-old will be discussed over KSMO, 1550 kc, next Tuesday morning at 11:15.

Dr. Luther Woodward, child psychologist and field consultant for the National Committee for Mental Hygiene, will talk with a mother on this subject as part of the regular "Inquiring Parent" programs, sponsored by the 17th District, California Congress of Parents and Teachers.

Specific items under discussion will be thumb sucking, bed wetting, stuttering, stammering, and sibling jealousy. Dr. Woodward will suggest a number of solutions to these perplexing problems of parenthood.

Throughout the listening area of KSMO, informal listening groups have been organized to hear the programs together and follow with extended discussion of their own detailed problems at the conclusion. To aid these parent education groups, a study outline and list of reference material covering the complete series, is available for the cost figure of fifteen cents. Requests for this guidance material should be sent to PTA, 17th District,. in care of KSMO, San Mateo.

Hormone Function Told In Broadcast

New advances in clinical medicine may be pradicted as a result of fundamental research on hormones.

This is the belief of the University Explorer who will tell a story entitled "Growth and Sex" on Sunday, October 23, over the Columbia Broadcasting System.

Obtaining his information from Dr. C. H. Li, associate professor of experimental biology on the Berkeley campus of the University of California, the Explorer will point out that the medical value of hormones has already been demonstrated in relieving the painful symptoms of rheumatoid arthritis.

There is also evidence, he says, that hormone therapy may be helpful in some cases of gigantism and dwarfism, in sterility, and in relieving the symptoms frequently associated with change of life in both men and women.

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing.

TROUT — Ends October 31. Bag limit: 15 trout, salmon, or Rocky Mountain whitefish, or 10 pounds and one fish, or three fish regardless of weight.

BLACK BASS—Bag limit: Five fish. No size limit.

SUNFISH, CRAPPIE, SACRAMENTO PERCH, CALICO BASS —Bag limit: 25 fish of all species in aggregate. No size limit.

OCEAN FISH — No closed season except for grunion and salmon, now open. Bag limits: 50 scallops, 15 rockfish, 2 marlin, 2 black sea bass, 2 broadbill swordfish, 3 salmon, 10 tuna, croker, skipjack, albacore, barracuda, yellowtail, white sea bass, bonito, rock bass, kelp bass, corbina, halibut, ling cod and cabezone. No limit other species.

DUCKS, GEESE — October 21 to November 9 and December 19 to January 7, except along Colorado River, where season extends from November 18 to January 6. Bag limits: 5 ducks per day, including one wood duck; 6 geese with not more than 2 of dark species, or brant. Shooting hours: one-half hour before sunrise to one hour before sunset, except on opening days when shooting starts at Noon.

COOTS, MERGANSERS — October 21 to November 9 and December 19 to January 7, except along Colorado River, where season extends from November 18 to January 6. Bag Limits: 15 coots, 25 mergansers. Shooting hours: one-half hour before sunrise to one hour before sunset, except on opening days when shooting starts at Noon.

DEER — Ends October 15 in San Diego county, north coastal, Sierra, and Lassen-Modoc areas. Closed elsewhere. Bag limits: 2 bucks in north coastal area, 1 buck elsewhere. Deer tags required.

CLAMS — Ends April 30 in Humboldt and Monterey bay areas. No closed season elsewhere. Bag limits: 30 razor, 10 big neck, 10 Pismo; 15 Washington in Districts 2 and 10; 15 Washington and big neck combined, but not more than 10 big neck in Marin county. No limit on jack knife clams.

RABBITS — Ends December 31 in southern California districts 4, 4⅛, 4¾, 19, 20, and 22. November 18 to December 31 elsewhere for brush and cottontail rabbits. No closed season elsewhere for jack rabbits. Bag limit: 8 brush and cottontail. No limit jack rabbits.

LOBSTERS — October 1 to March 15. No bag limit. Size limit: none under 10½ inches.

BEARS — October 1 to December 31. Bag limit: 2 per season. Shooting hours: one-half hour before sunrise to one-half hour after sunset.

AVOIDING HEADLIGHT GLARE

Brightness is not the infallible test for headlight bulbs. If you examine them carefully you frequently will find that they should be replaced though rather brilliant. The reason is that when the filament becomes bent it throws the beams out of focus and the result is a glaring headlight.

TWIN DANGERS

Reduced visibility and skidding are the twin dangers which accompany rainy weather, warns the California State Automobile Association To offset these dangers, check your windshield wiper and check your speed on wet roadways.

CHECK TIRES NOW

Automobile tires should be examined now, and smooth tires should be retreaded or replaced before winter rains begin. Smooth tires puncture easily and also increase the skidding hazard.

The original adobe Mexican Customs House at San Francisco was located at the northwest corner of what is now Portsmouth Square.

SPARK PLUG REPLACEMENT

When visual inspection reveals fouling or badly burned electrodes, spark plugs should be replaced with new plugs of proper heat range, advises the California State Automobile Association.

HAVE GENERATOR CHECKED

The automobile generator and its regulator should be inspected by a qualified ignition man at regular intervals, advises the California State Automobile Association. This job is usually included in an engine tune-up.

Sapphires are found in the Australian states of New South Wales and Queensland.

Mrs. S. Dickson SM County Junior Red Cross Head

Junior Red Cross chairman of the San Mateo county branch today is Mrs. Samuel Dickson, Hillsborough.

The Dicksons have lived in San Mateo county for over 40 years, and have watched the peninsula grow from a sleepy country community to its present thriving status.

In organizing the Junior American Red Cross work, Mrs. Dickson hopes to have the cooperation of the various PTA groups in the county, in order to coordinate a program in the various schools.

One basic objective of the Junior Red Cross from its beginning in 1917 has been to privide adequate activities through which its members may learn the ways of democratic citizenship.

The peacetime projects of this junior organization include services to local institutions, to blind children, and to veterans' hospitals; shipment of gift boxes to children in foreign lands; and the exchange of school correspondence albums with children of different sections of our country and with children of other lands.

ALWAYS GIVE PROPER ARM SIGNALS

Always give proper arm signals before you turn or stop. Not letting the other drivers know what you are about to do can lead to confusion. And confusion on modern highways can all too easily end in collision.

From 1855 to 1860, Clear Lake was entirely within the boundaries of Napa county.

Norwalk Station Has New Manager

Under new management this week is the "Charlie's Norwalk Service Station," 6260 Mission street.

Charles Dossi, 1278 Stanyan street, San Francisco, is the new manager of the station. He has had many years in the business, and until recently operated another station at Menlo Park.

The Norwalk station is located behind the Bank of America building and sells gas four cents cheaper than the regular standard rates, Dossi said.

Dental Broadcast Will Continue

Educational broadcasts on dental health have aroused so much interest that the series will be continued, according to an announcement by the San Mateo County Dental Society.

The radio series was inaugurated four weeks ago, and will continue to be presented Monday mornings at 11:30 on KSMO (1550 kc) in co-operation with the San Mateo County Medical Society.

The program is being heard regularly in many of the schools in the Bay area, and teachers are taking advantage of the radio scripts, made available by the dental society for classroom use or group study.

Continuation of the series will take place with the broadcast on Monday, October 31, with subsequent programs scheduled for November 7, 14, and 21.

SM County Enters Five In Grand Nat'l

San Mateo county will be represented in the 1949 Grand National by five county exhibitors at the Cow Palace, October 28 through November 6.

The county residents will compete for a share of $23,500 in prizes.

A feature of this year's show will be a divided program in the horse show division. The first four days will be devoted to the western classics, hunters and jumpers, and the last six days to the saddle and harness classics.

Entered in the San Mateo Horse Show at the Grand National will be: William Revello, Woodside; Esther L. Bradley, Redwood City; A. G. Martin and Sylvia Fisher, Redwood City; Concar ranch, San Mateo.

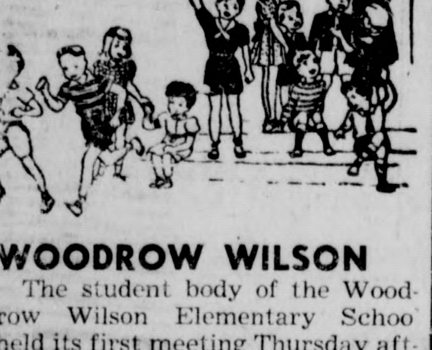
ALWAYS GLAD TO SEE ROYALTY—On her arrival in Rapallo, Italy, the Duchess of Windsor receives a corsage of flowers while the Duke grins broadly. The Windsors arrived in Italy to spend a pleasant vacation.

NEWS FROM THE SCHOOLS



WOODROW WILSON

The student body of the Woodrow Wilson Elementary School held its first meeting Thursday afternoon.

The following students were elected to office: president, Frank Mecchi; vice-president, Jack Thur; secretary, Alice Reardon; treasurer, Patsy Bryant; sergeant-at-arms, Nancy Findlay.

On Thursday afternoon, also, the Woodrow Wilson School had a fire drill. The pupils made an excellent record in clearing the building. They were especially proud of the record as this is Fire Prevention Week.

During the social studies period several excellent talks were given in commemoration of October 12. The reports were on Columbus and the discovery of America. The following students gave reports: James Snell from the seventh grade, Ann Cheatham from the fifth grade, and Patricia Bertelli, Robert Grubb and Ben Trotter from the sixth grade.

Although defeated by Crocker the Woodrow Wilson "A" and "B" teams displayed wonderful sportsmanship in games played October 8 at Marchbanks Park. Both Walter Huntsman for the "A" team and Richard Means for the "B" team were outstanding on both offense and defense. Injury to Jack Thur in the first quarter hurt the "A" team's chances considerably..

The students of the sixth grade have begun the study of the Latin American countries. Several colored maps showing the climatic zones and the Latin American countries may be seen on our bulletin board. The students are studying Mexico, the "Land of the Eagle and the Serpent." Many of the students are bringing Mexican articles to school. Robert Gelindo brought a serape; Richard Marquez brought a sombrero; Jacqueline Hulme brought a miniature pottery tea set and small baskets; Lilianne Boynton brought Mexican salt and pepper shakers; Patricia Bertelli brought an apron made in Mexico; Mary Fulwider brought a Mexican doll, and Joyce McGlynn brought a sample of Mexican jewelry.

Fifth grade pupils at Woodrow Wilson are entering a unit of study on colonial life in early New England. This study will include all phases of life at that time. The children are becoming familiar with the problems of the colonial people in a land where they must make their living entirely by their own efforts. Studies will be made of food, clothing, shelter, government, transportation, and early customs. Several activities are planned to make this study more meaningful. The children hope to learn many interesting facts about early life and to see some of the basis for our present day life and government. Other classroom subjects are centered around this theme of study.

CROCKER

The curtain not only rose on the World Series for those actually seeing the game at the stadium, but for the Crocker student body as well.

Students were given the privilege and choice of listening to a portion of the game during their physical education and recess periods. Interested fans sat on the steps of the school listening to the broadcast. Other students not classed as "fans" were supervised in their regular scheduled games and activities. Promoting interest in sports, being able to listen courteously, and realizing that physical education is mental relaxation—listening to the World Series served more than one purpose and helped to achieve many of the desired goals of healthful as well as practical education.

The Crocker P.T.A. membership drive carried on in the Crocker A.M. session and regular session division has proven very fruitful.

The first week brought 32 of the 55 total membership to approximately 60 per cent new members, for this term. The second week brought another 13 or 89 per cent new members, and two renewals of the total 15. The prize of a portable radio will be presented to the class bringing in the largest number of new members. Congratulations, Room 2, fifth grade, for your fine spirit and enthusiasm in encouraging Mom, Dad, Sis, and Brother to join a worthwhile organization, as well as getting a radio for your class and school.

Fire Prevention Week was brought to the attention of the Crocker student body by an official drill given by the Daly City Fire Department. Four previous drills since the opening of school have been given in the building, due to the increased enrollment and number of new students enrolled for the first time in the Crocker School. Under normal conditions a school fire drill is given at least once a month.

To further observe Fire Prevention Week, Chief Kennedy and Assistant Chief Bodien, at the request of the principal, arranged for the entire Crocker School to visit the Peoria street firehouse, where the students carefully examined the fire engine, and had the organization and fire call system explained to them. This excursion was made by the students during an intermission period, so that no time was taken from actual school routine, and academic periods.

In preparation for the "Bicycle Day and Assembly" scheduled for Crocker student body October 19 at 10 o'clock students throughout the school are very busy polishing and cleaning as well as checking their bikes to keep them in repair so that they may possibly secure a first award. Wheels, tires, chains, light, coaster brakes, reflectors, handle bars, warning devices, etc., have been given special attention. Awareness has resulted in alert and conscious safety precautions being observed by students throughout the building.

Watch our column next week to see who the lucky student of Crocker student body is, who is proudly displaying a first award on his bicycle. Superintendent Snell, Supervisor Falconer, and Robert Moore, safety education and curriculum assistant of San Mateo county, will be present for the inspection and judging.

Room 5 of Crocker School has really become safety conscious. After discussing safety at some length, they have decided to be safe rather than sorry while riding their bikes and while swimming. Last week Sherwood Rupp wrote a clever monkey skit which John Selsor read at the "Safety Assembly." Bob Pool manipulated two puppet monkeys.

In social studies this room in their study of Japan has discovered that this small country has produced Mikamoto, the Pearl King. Mikamoto is responsible for the development of cultured pearls. These pearls come from something placed under the shell of the oyster, causing an irritation. In time, as a protective measure, the oyster secretes a substance which becomes a pearl.

The students in Room 3, L7, have been locating China on the maps in their rooms. They have been working on this to see how China has developed as it has. The location of China near Russia and Japan is clearing up the question of why we study China. Understanding China and her problems helps us to understand the problems of our own country.

A lively interest in the many problems of South America is being developed in the sixth grade. Questions developed as to what is the nature of life in the Amazon jungle and can this strange region be developed, have provided well planned integrated activity in the language arts. Other questions have been: Does the U. S. get much oil from Mexico, Venezuela, and other South American countries? What is the story behind that banana you had for breakfast and that cup of cocoa? What is the cause of the violent earthquake which recently caused such a terrible catastrophe in Ecuador? Meanwhile, the children have been drawing and displaying a strange array of South American animals, such as the jaguar, the ant-eater, the puma, the capybara, the agouti, the ocelot, the iguana, the monkey, and the tapir.

IT'S A PiP ?

J. A. ADAMS PAINT COMPANY
Local Manufacturers of Quality Paint
This label assures Perfection in Paint
- Wide color Choice
- Easy to apply
- Long-lasting protection
- Complete paint Supplies
